**ST. MICHAEL'S COLLEGE**  
**1985**

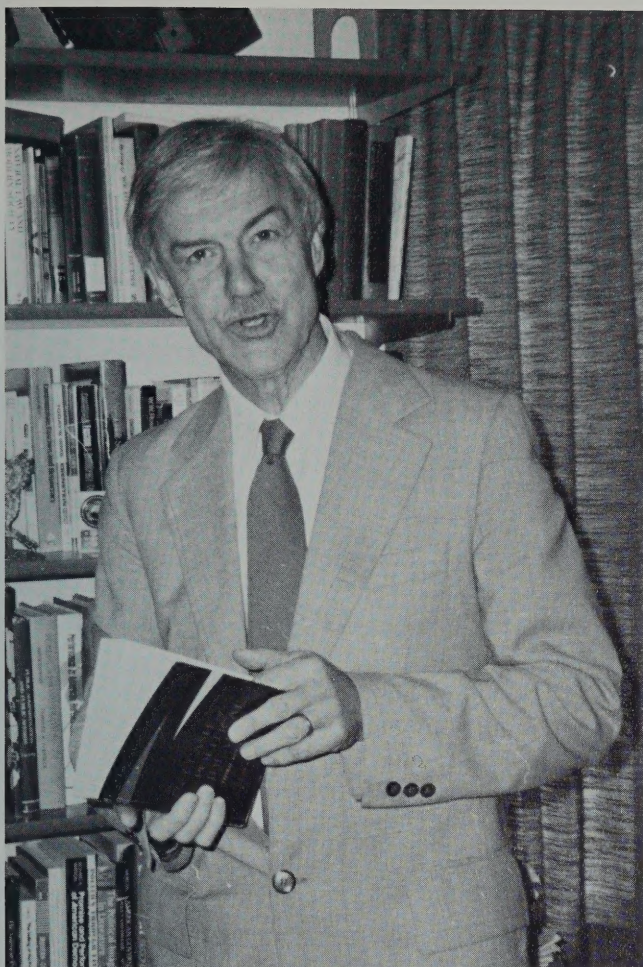

The Class Of 1985 Is Proud  
To Dedicate The Hilltop To  
Dr. Edward L. Henry  
For His Belief In St. Michael's And His Work  
To See It Into The 1980's And Beyond.

"Healthy colleges have presidents with a clear sense of mission, a willingness to listen to others, an ability to initiate programs and policies that will keep the institution financially sound, educationally serviceable and socially responsive."

Dr. Earl J. McGrath, Former U. S. Commissioner of Education

N. Macy

Dear Seniors:

I have witnessed the arrival and departure of several generations of students here at Saint Michael's College since my arrival in March of 1976. Increasingly I have become convinced of the efficaciousness of our program in turning out well balanced men and women to play a significant role in personal and public life.

Also, during this period I have noted the rising visibility of Saint Michael's as an educational institution on the East coast. An institution is no better than the graduates it produces. We send this class of '85 into the world confident that what Saint Michael's stands for will be well represented by the standards you set for yourself, your families and the professional and public groups to which you attach yourselves.

This year I leave with the graduating class of 1985 grateful for my experience at Saint Michael's and full of memories of good people. My hope is that over the years, I along with the faculty and staff may have touched your lives in some constructive way.

Sincerely,

*Edward L. Henry*

Edward L. Henry  
President  
Class of 1985

R. Monette

Dear Class of 1985:

I congratulate you, the men and women of the Class of 1985. The Society of Saint Edmund and the Board of Trustees hope that during your years at Saint Michael's, you have come to feel at home and a real part of the College family. As you now begin to establish new homes, we hope you will remain close to Saint Michael's and come back "home" from time to time.

In a real sense, you are Saint Michael's. While it is true that you leave the campus, you do bring Saint Michael's with you. You are a sign of our family, that has just celebrated its eightieth birthday. You have helped make your alma mater what it is. With God's grace, you will continue to shape Saint Michael's in the years ahead. Your happiness and success in the future will be ours, too.

Wherever the road ahead may lead you, I hope it will always allow you to come back home to Saint Michael's. May God bless you with abundant happiness and success in your future endeavors.

Affectionately yours in Christ,

*Edward A. Leary, S.S.E.*

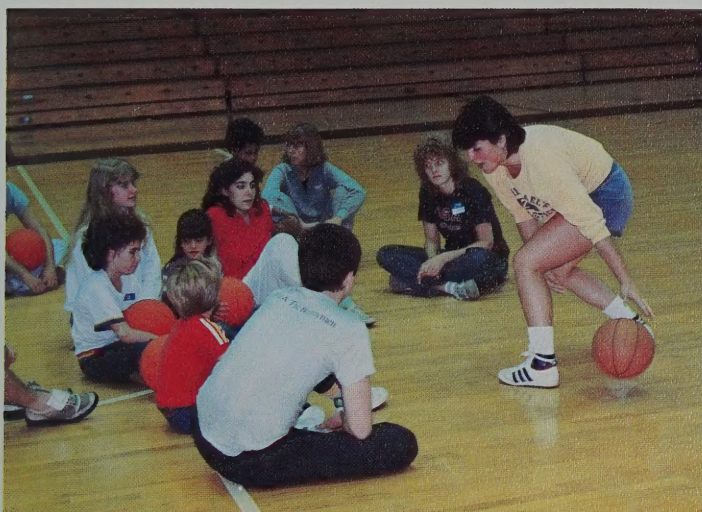

Very Rev. Edward A. Leary,  
S.S.E.  
Chairman of the Board of  
Trustees  
Edmundite Superior General

President Henry speaks at the ISP 30th anniversary party.

L. Kinson

S. A. President Vincent D'Angelo greets Vice President George Bush during a campaign stop.

Dr. Edward L. Henry was installed as the thirteenth president of Saint Michael's College on November 16, 1976. Under his administration, the College has experienced great stages of growth and development and has emerged as a leading East coast educational institution.

Between 1965 and 1980 more than 60 Catholic institutions of higher education closed their doors. Saint Michael's has survived and prospered. Dr. Henry's leadership and planning is largely responsible for the College's continued success.

Dr. Henry began his tenure at Saint Michael's calling for a "grand dialogue" consisting of a restatement of the mission and goals of the College. From this foundation sprung a steady stream of innovative ideas to improve the curriculum, upgrade the physical plant and ensure the institution's financial health.

Academically, many changes and improvements have occurred over the last several years. In 1981, a new core curriculum was developed and a new computer science major was approved. Internships became available to students with the formation of a full-time director of professional career guidance and internships. Students now can gain valuable experience working at a job related to their field of study.

Dr. Henry recognized the importance of life outside the classroom and many enhancements to student life followed. In 1978, the Student Resource Center was established in Klein to offer complete counselling services including personal, job placement and financial aid. Students received new housing choices when Hodson Hall was constructed in 1979. Shortly thereafter the Town House complexes were built. Extra-curricular activities were supported by the President. In 1982 he granted the ice hockey team varsity status on a three year trial basis. Finally, the International Student Program was revitalized and now over 100 students from 24 countries are here on campus.

American higher education is predicted to experience an enrollment drought in the eighties that will screen out 300 weaker institutions. Dr. Henry saw the need to improve Saint Michael's marketing strategies and broaden the school's recruiting area. By 1981 the number of students applying for admission rose by 40 percent and the SAT scores for incoming freshman rose 50 points.

Continued on page 7.

R. Monette

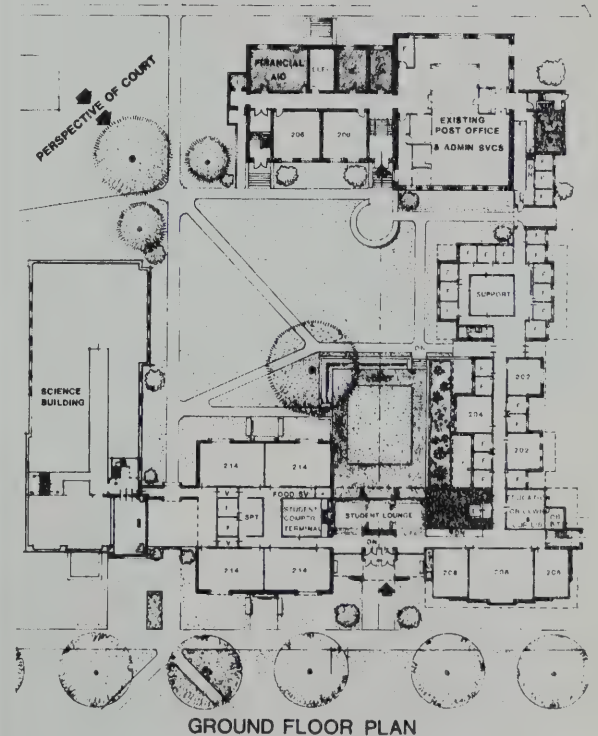

R. Monette

Many physical enhancements were made for a more attractive and efficient campus. Improvements were made to Founders Hall and Herrouet Theater received major renovations. The most ambitious project, however, is the \$12 million Campaign For Excellence unveiled in October, 1984 which will include construction of a new classroom building and provide for consolidation of the North and Main campuses. The decision to consolidate came after three years of analysis. It was determined that a consolidated campus would provide a cohesive and stimulating educational environment for both students and faculty.

For projects like the Campaign For Excellence to succeed, financial support is needed from the entire college community. One of the major functions of a college president is fund raising. In 1976 Dr. Henry expanded the development department to locate and inform alumni. By 1981, alumni contributions rose by 40 percent. The Council for Advancement and Support of Education rated the College number one in the nation in the sustained-giving category.

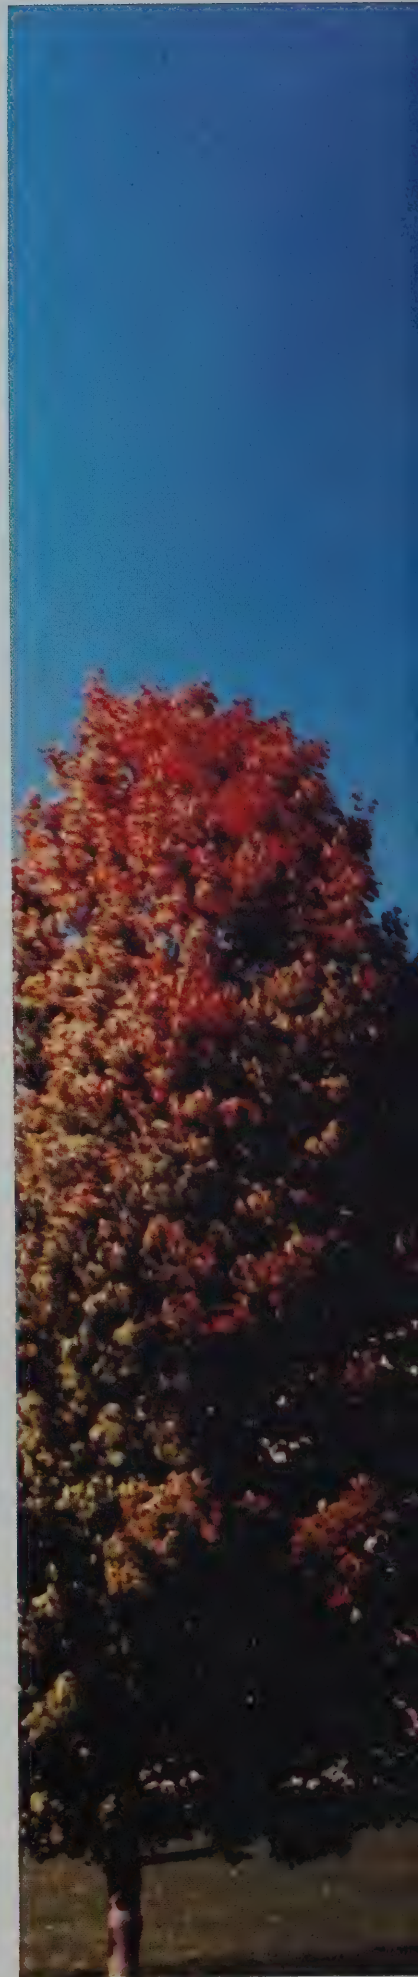

Other honors have been awarded to Saint Michael's during Dr. Henry's tenure. Just recently the College was chosen as an outstanding example of a successful institution by a national report released in July. The report was prepared by former U.S. Commissioner of Education Dr. Earl J. McGrath. Clear mission, identifiable and cohesive constituencies, knowledgeable and committed faculties, satisfied students, clear programs for development and strong alumni and other constituent support are the necessary characteristics of a successful institution. The report said that a strong president was found to be the most critical indicator of an institutions success. "Healthy colleges have presidents with a clear sense of mission, a willingness to listen to others, an ability to initiate programs and policies that will keep the institution financially sound, educationally serviceable and socially responsive."

Many colleagues of the president have said that he fostered an environment for growth by encouraging others to express their ideas. One associate said that Dr. Henry was the first to recognize the innovator, he always gave credit where credit was due. Dr. Henry said that the success of the college is due to the dedication and cooperation of the entire Saint Michael's staff at all levels. He has no doubt that the momentum will continue and Saint Michael's will continue to prosper.

# PADDLE YOUR OWN CANOE

Anonymous

Voyager upon life's sea, to yourself be true,  
And where'er your lot may be, "Paddle your own canoe!"  
Never, though the winds may rave, falter nor look back;  
But upon the darkest wave leave a shining track.

Nobly dare the wildest storm, stem the hardest gale;  
Brave of heart and strong of arm, you will never fail.  
When the world is cold and dark, keep an aim in view;  
And toward the beacon-mark "Paddle your own canoe!"

Every wave that bears you onto the silent shore,  
From its sunny source has gone, to return no more.  
Then let not an hour's delay cheat you of your due;  
But, while it is called to-day, "Paddle your own canoe!"

If your birth denied you wealth, of lofty state and power,  
Honest fame and hardy health are a better dower.  
But, if these will not suffice, golden gain pursue;  
And to gain the glittering prize, "Paddle your own canoe!"

Would you wrest the wreath of fame from the hand of fate?  
Would you write a deathless name with the good and great?  
Would you bless your fellow-men? Heart and soul imbue  
With the holy task, and then "Paddle your own canoe!"

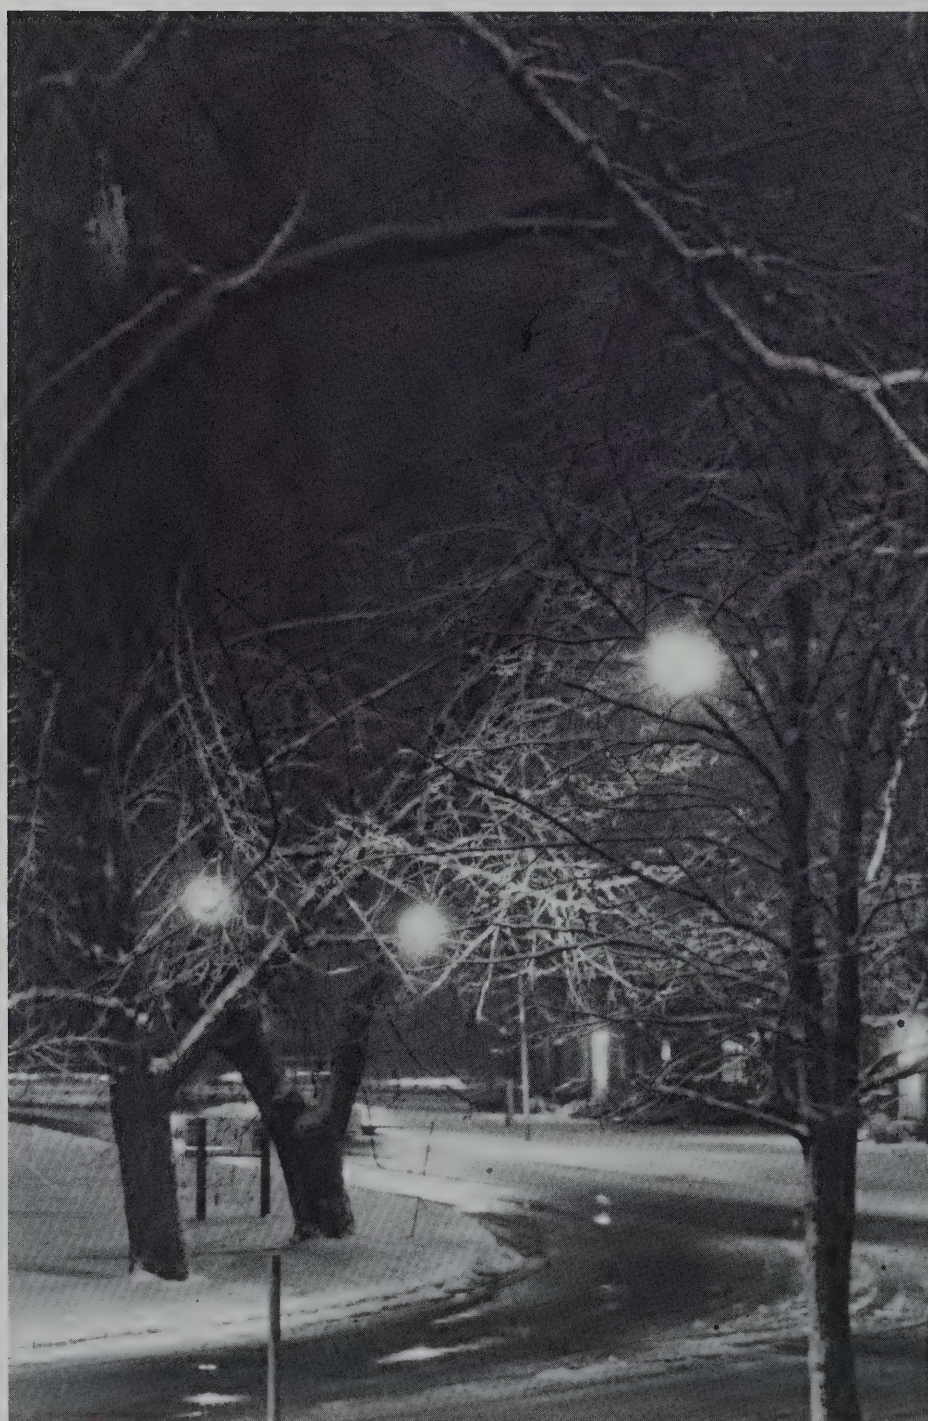

Would you crush the tyrant wrong, in the world's free fight?  
With a spirit brave and strong, battle for the right.  
And to break the chains that bind the many to the few—  
To enfranchise slavish mind—"Paddle your own canoe!"

Nothing great is lightly won, nothing won is lost;  
Every good deed, nobly done, will repay the cost.  
Leave to Heaven, in humble trust, all you will to do:  
But, if you succeed, you must, "PADDLE YOUR OWN CANOE!"

# IN MEMORIAM

The Rev. Aime Trahan, SSE, 75, member of the Edmundite House, St. Michael's College, died suddenly on Tuesday, August 14, 1984.

Father Trahan was born in Highgate Center, Vermont, Aug. 6, 1909, the youngest of the 15 children of Napoleon and Azilda (Turgeon) Trahan. He received both his high school and college education at St. Michael's College, Winooski Park, obtaining his A.B. degree in 1934.

He entered the Edmundite novitiate in Swanton in 1931 and professed his religious vows on Sept. 1, 1932. After his seminary studies in Putney (1934--38), he was ordained to the priesthood in St. Jean, Quebec, on June 11, 1938, and celebrated his first Mass at St. Louis Church, Highgate, Vermont. During more than 40 years of priestly service, Father Trahan served in parishes in the United States, France and Canada, where his pastoral wisdom and friendly manner endeared him to many people.

Immediately following his ordination in 1938, Father Trahan was assigned to the Edmundite Motherhouse in Pontigny, France, arriving just before the outbreak of World War II. He was pastor of the parish in St. Florentin when the German Army conquered France. Despite being a priest and an American, Father Trahan served as mayor of the city of St. Florentin during the German occupation until the summer of 1941, when he was forced to flee in disguise, eventually working his way back to the United States.

Upon his return, Father Trahan published a celebrated series of articles for the Boston Globe, describing his firsthand experiences under the Nazi occupation. Subsequently, he lectured widely in the United States on the situation in France.

When Father Trahan retired from the pastorate in 1979, he began his resident at St. Michael's, where he was an energetic member of the Edmundite House. He frequently assisted in parishes throughout the diocese and in the campus ministry program of the college. An avid sports fan, he was regularly found cheering the men's and women's St. Michael's athletic teams.

"He was like our elder statesman, without being statesmanlike," the Rev. Henry Nadeau said. "You could always depend on his listening to what you had to say . . . He was interested in everything. . . . We'll miss him."

Courtesy of THE BURLINGTON FREE PRESS.

Prof. Mark S. Finch, assistant professor of modern languages at St. Michael's since 1982, died November 18, 1984 at the age of 39. Born in 1945 in West Bend, Wisconsin, Mark received a bachelor's degree in Spanish from the University of Wisconsin in 1971, and his doctorate in Spanish from the University of Cincinnati in 1978. He taught on both the high school and college levels in Ohio and Kentucky. Prior to coming to St. Michael's, he served six years as assistant professor of humanities at the Inter American University of Puerto Rico. Professor Finch published numerous book reviews, scholarly articles and play synopses, and delivered lectures on Latin American and Spanish authors. Professor Finch was active in the language department including directing a humanities conference at St. Michael's during February 1984.

# MEMORABLE EVENTS

C. Burtis

D. Sofis

Photos by P. Farrington

# ORIENTATION

The first few days of September were finally here. The whole summer was spent wondering what it would be like. First, there was the work of moving into your 'home' for the next 9 months, and then the last goodbyes to parents who were as nervous as you were. The anxiety of meeting your roommate (and 500 other Freshmen) was a little overwhelming at first, but was replaced by the fun of getting to know them. Suddenly you were swept up in a whirlwind of activities: the field olympics, the barbeque, the Hawaiian dance and lots more. Orientation was slowly easing you into the routine of being a college student. Even though the adjustment took more than three days, those three days would be remembered forever. Soon, smiles and laughs replaced all the nervous feelings. Before you knew it, you had made lots of friends. There's lots to do and four short years to do it all in. Life at Saint Michael's had just begun.

# FALL DRAMA

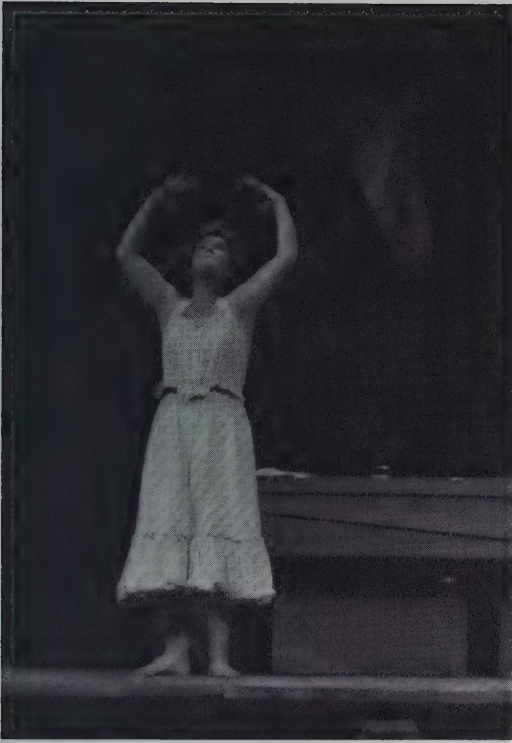

## ELIZABETH I

The fall of 1984 brought to the SMC stage the production of Elizabeth I. The play illustrated a heightened yet comical view of the reign of fair Queen Elizabeth and her not so fair counterparts Mary Queen of Scots, King Phillip of Spain and Queen Catherine of France.

After its initial performance on the SMC stage the play was again presented, but at the University of New Hampshire in the American College Theatre Festival. In the end the play did not make the nationals in Washington, but, was judged the most pleasing of the festival.

# CHRISTMAS

# WOMEN'S VOLLEYBALL

E. Markey

The women's volleyball team finished a challenging schedule with a 9-15 record. Co-captains this year were senior Diane DeSantis and Kathy-Jean Martin, '86 with only three other players returning from last year's team.

The team will lose two seniors to graduation, middle-hitter Kathy Johnson and DeSantis. The Most Valuable Player Award was given to setter Julie Gallagher, '86, who was the most consistent outside hitter.

Second-year coach Jean-Paul Farineau hoped the 1984 season could successfully blend youth and experience. Let's hope the 1985 season can do just that!

M. Soutter

# WOMEN'S FIELD HOCKEY

E. Markey

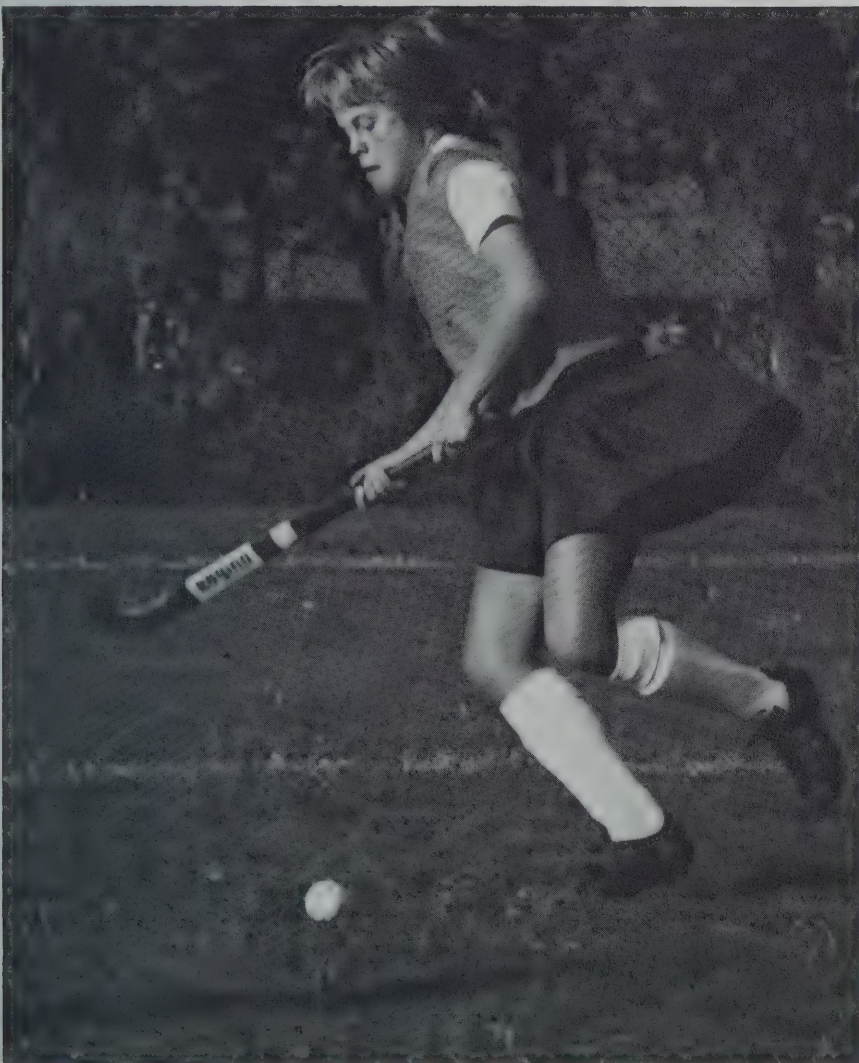

J. King

Their record is not a true indication of the successful season the women's field hockey team had in 1984. Nine players were lost to graduation last year and this, along with a tougher schedule, did not add up to a winning season (5-9-1).

Captains of the 1984 team were Dina "Mad Dog" Sofis and Kate "Biffy" Cunningham. The Most Valuable Player award went to Kim "Zola" Goodrich, '87. Most improved Player awards went to three people: Maryann, "Lumpy Brother" Pfaff, '86; Martha "Beaner" Bean, '87; and Kris Diccico, '87.

Highlights of the season were a 1-0 win at Skidmore, appearances at triple sessions in August by Olympian Zola Budd, and field hockey Olympics headed by team captain and Olympic flame carrier, "Mad Dog" Sofis.

Coach Kathy O'Neil provided the team with a lot of support throughout the season, on and off the field. Here's to a .500 season in 1985!

J. King

J. King

M. Fanelli

The women's tennis team finished with a disappointing 2-9 season record, however, much experience was gained by the players. All ten team members played a majority of the matches and learned the importance of mental competitiveness and concentration - key reasons for losses in close matches this season.

Despite the season record, squad members all benefitted from participation in varsity play and enjoyed the close knit team feeling. Seniors Jeanne Duffy and Ruth Reardon served as co-captains and Vivian Fong as first-year coach. Freshman Eileen Berry was named most valuable player for displaying equally solid singles and doubles play throughout the season. Sophomore Sheila Peterson shared the best personal record with Berry in playing consistent singles matches.

About half of the team members are expected to return next year providing valuable experience and solid tennis games. Coach Fong will be expecting a turnaround season next year and will be relying especially on B. Kasper, B. Magill, S. Peterson and J. Fay to display the tough competitive tennis they are capable of playing.

M. Soutter

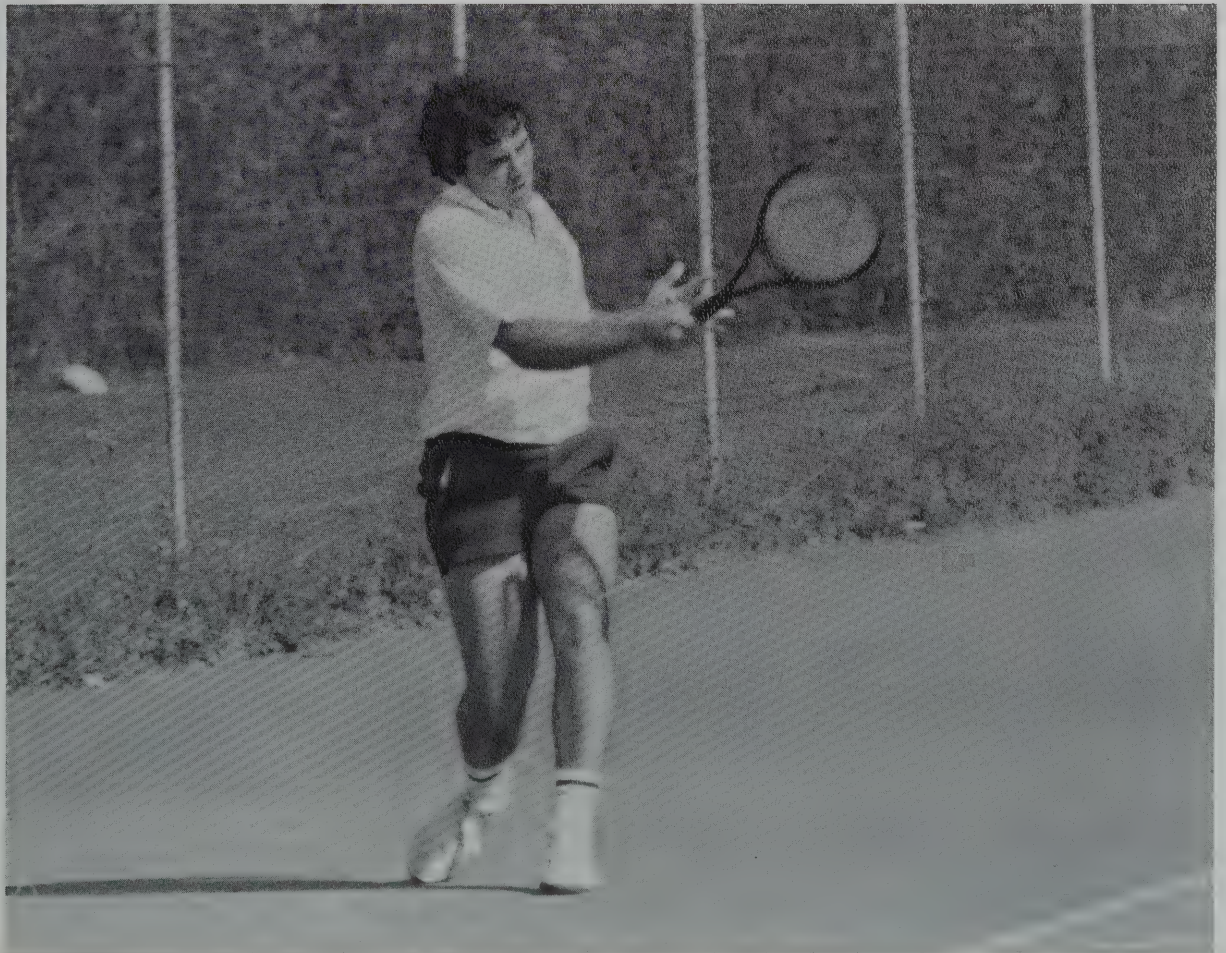

# TENNIS

Ed Markey

The St. Michael's Men's Tennis team ended its season with 3 wins 5 losses. Their only wins were over New Hampshire College twice and Plattsburgh once. The poor showing by the team can be attributed to inexperience and the lack of a star performer. Another problem contributing to the season's results was an inconsistency in the singles matches. The players at times did not play up to their ability levels. The year end results, however, are not bad considering the size and experience of the team. The members of the team throughout the season showed dedication and team spirit that can only come from a team willing to work hard and wanting nothing but to win.

Mark Soutter

Under the capable leadership of player/coach Brian Ortale and senior co-captains Steve Whitney and Mike Rosone the St. Michael's Rugby Football Club enjoyed a successful fall season, sporting a record of 5 wins, 1 loss and 2 ties. Blessed by strong fan support from the student body throughout the season, the ruggers conquered such foes as North Adams, Middlebury and archrival St. Anselm's while losing to Johnson State.

The A team was characterized by a powerful scrum while injuries plagued the backfield. Whitney, team president Vinnie D'Angelo and Ortale anchored St. Mike's in the trenches while the talented Rosone, Glenn Sutherland and Chris Consentino directed the backfield attack.

Juniors Kevin Stanton, Ed Ryan and John Wilson, along with sophomores John Sweeney, proved to be valuable assets to the scrum. Adding strong support to the backfield were sophomores Jim O'Brien and Sean Sealy. Being an independently run organization the team manages all of its own affairs. All decisions concerning the squads welfare were made by the executive board which is comprised of Ortale, D'Angelo, treasurer Don Bidwell, match secretary Mark Minnucci and the two co-captains.

Laura Kinson

# S.M.R.F.C.

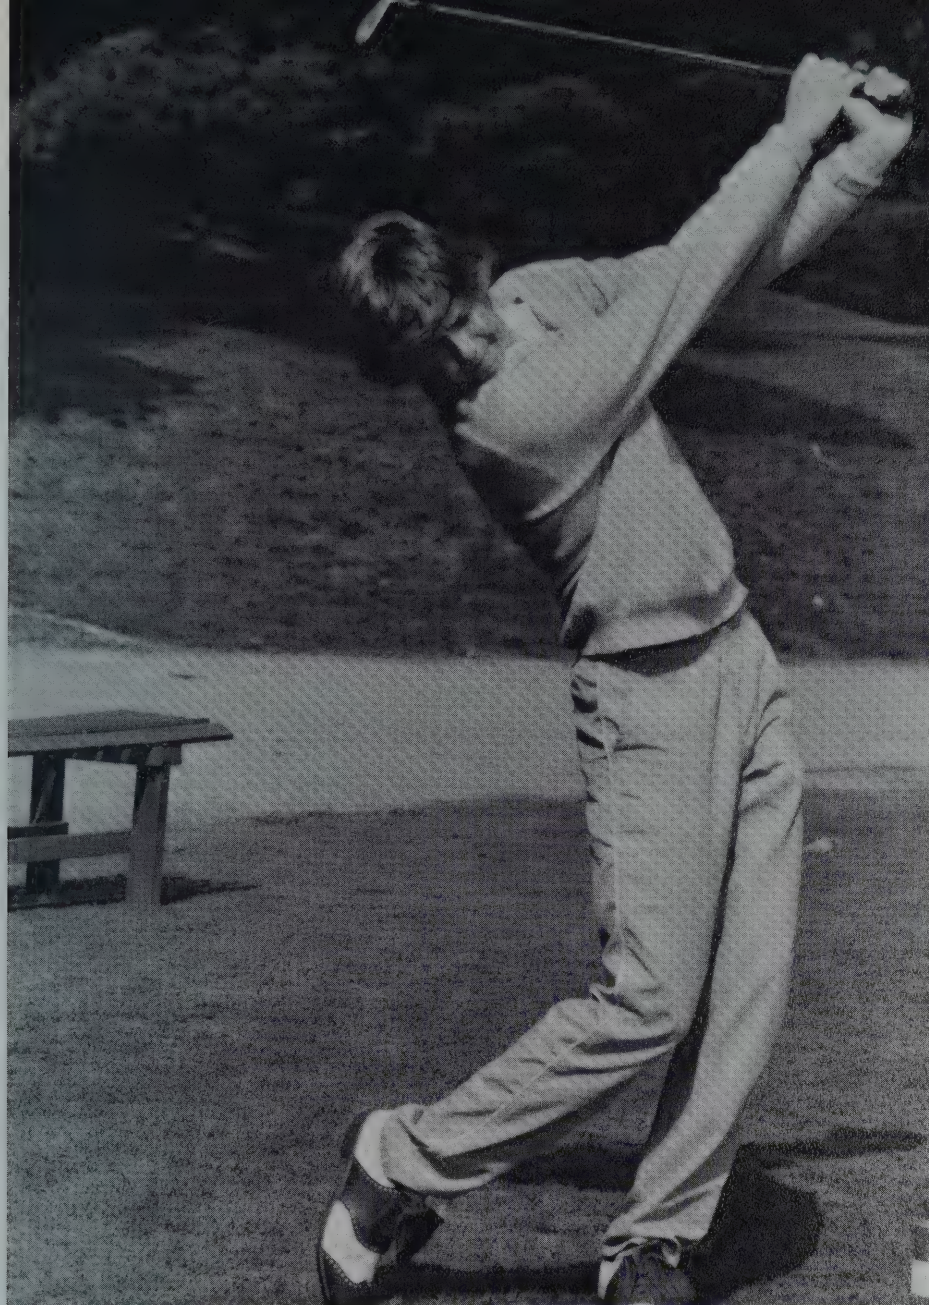

Laura Kinson

Roger Monette

M. Soutter

The SMC golf team began the season on a positive note by winning the Goss Tournament. This was considered the state championship and was the first victory for the team in this event since 1965. Randy Wilson and David Gretkowski were the medalists for the tournament and for SMC. The next tournament was the first Duke Nelson Invitational at the Middlebury College golf course, which was won by SMC. Again, the team was led by David Gretkowski and Randy Wilson. One of the biggest surprises of the season was the 12th place finish in the New England Championships at New Seabury, Cape Cod. This is the best finish in SMC golf history. Randy Wilson was the top SMC player, finishing 8th individually. The next surprise was a victory at the ECAC qualifier at the Dartmouth College golf course. The team was led by Joe Haley and Randy Wilson. The team finished in 20th place at the ECAC Championships at the Manchester, Mass. Country Club.

The team should be as strong or stronger next season since they are only suffering the loss of one senior, co-captain John Mahar. He will be missed by the team for his strong golfing ability and leadership. To overcome this loss, the team is expecting the return of one player who missed the season and a promising freshman entering in the fall.

The Michael McCaffrey MVP award was presented to Randy Wilson, a junior co-captain, and the Coaches Award was presented to sophomore, David Gretkowski.

P. Massie

## GOLF

The Men's Soccer team chalked up an impressive record this year. Their final tally was 7-6-1. While on the surface it does not seem impressive it is considering its the first winning season since 1966, and only the third since soccer has been played at St. Michael's. Coach Les Johnson said, "At the beginning of the season, I thought we would win six or seven games, but I never thought that two of those victories would come against UVM and Middlebury." The Purple Knights beat Division I UVM 2-1 on a mud slick field (first time in 12 years), and they beat a talented Middlebury team 1-0 in overtime (first time in 16 years).

The Knights began the season poorly losing 4 out of their first 6 games, however, they were able to bring it together by defeating Potsdam State and starting a 5-game winning streak that led to their winning season. Coach Johnson named three MVPs for the season. First, goaltender John Jordan. In 1300 minutes of game time he allowed only 19 goals out of 194 attempts for a save percentage of .856. This was Jordon's first season playing competitively. Second, MVP would be Geoff Starr for his scoring ability. After sitting out the 1983 season due to a broken leg he came back strong in 1984 scoring 9 of the teams 20 goals along with 5 assists for at total of 14 points. Final MVP is captain Bob Martens. His exemplary captain and leadership ability combined with excellent playing ability made him a vital member of the team. Our congratulations to the soccer team for racking up a record St. Michael's can be proud of in years to come.

M. Fanelli

M. Fanelli

# MEN'S SOCCER

P. Boisvert

P. Boisvert

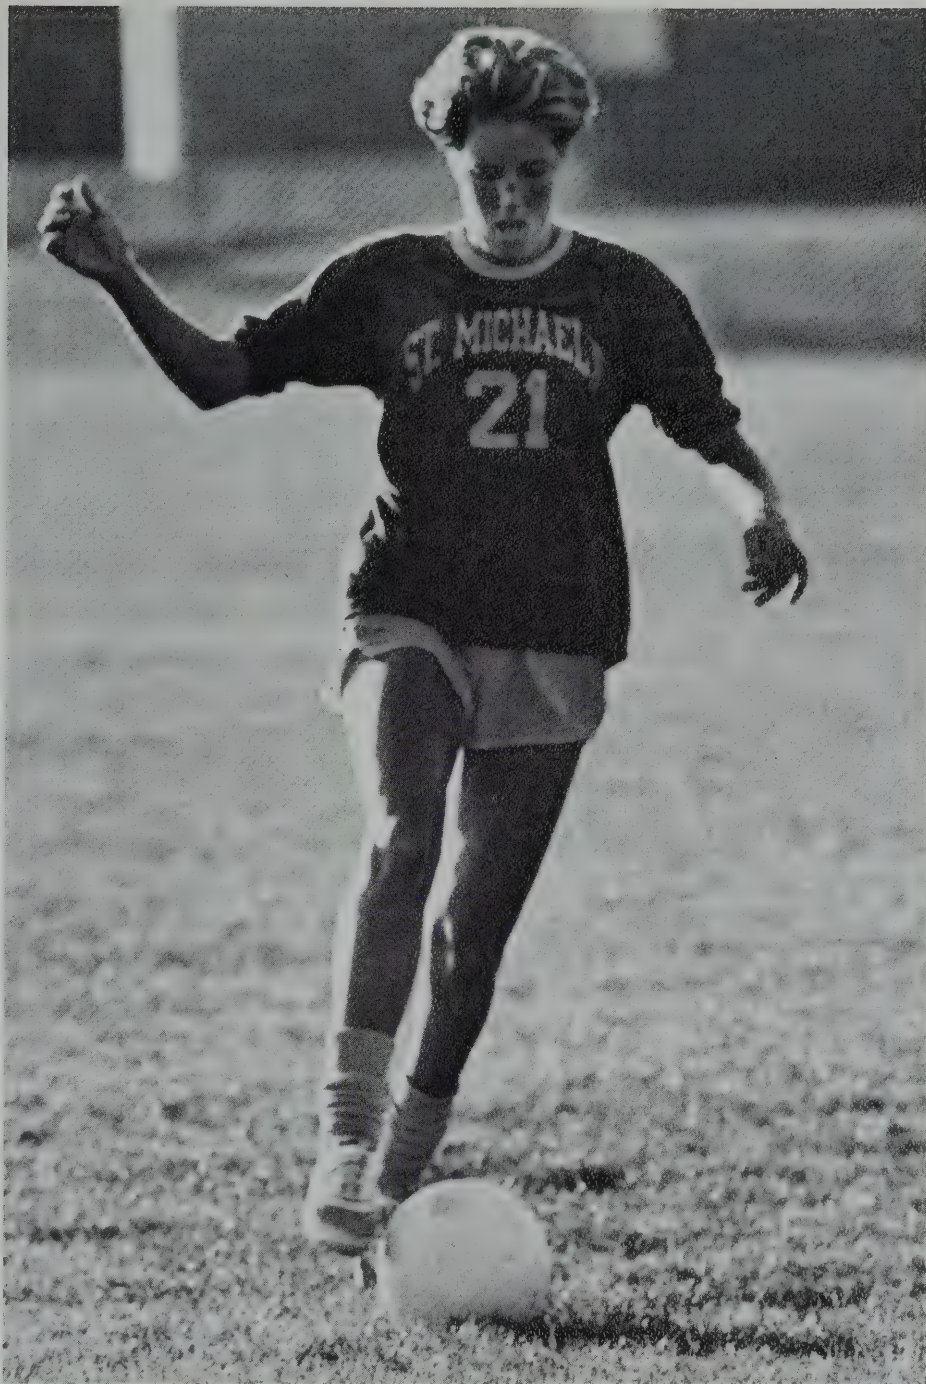

P. Boisvert

P. Boisvert

## WOMEN'S SOCCER

The St. Michael's Women's Soccer team under the stewardship of first year Coach Karen Martindell ended it's season with a record of 5 wins - 8 losses. The Purple Knights started the season with a bang by winning 5 out of their first 7 games. The toughest win was against Castleton State. Castleton played well but the Knights held together to win 2-0. The Knights biggest romp was a victory over St. Joseph's with 56 shots, 17 of which were successful against 1 score by St. Joseph's. After the victory the team record pales by losing their last 6 games.

Pam Melcher, '85, was the team's leading scorer with nine goals. Julie Kinsky, '87, was second to Melcher with six, and Mary Brouillette, '88, and Beth Roberts, '85, both had four goals.

# MENS AND WOMENS CROSS-COUNTRY

E. Markey

L. Kinson

M. Scutter

E. Markey

L. Kinson

The 1984 Cross-country season saw the mens and womens teams accomplish several pre-season goals and set some important records. One record nobody will forget: longest distance travelled to a meet. The NCAA Division II East Regional meet was in Indiana, Pennsylvania, 13 hours by car from St. Michael's.

The women's season was highlighted by finishes in the top half of the field at the Saint Anselm's Invitational (4th of 9 teams) and the Albany Invitational. Junior co-captains Lynda Dunn and Tracy Romano won the Most Valuable Runner and Coach's Award, respectively, while freshman Gina Cancellare was the rookie-of-the-year recipient. The women's team had no seniors and should be a powerhouse in 1985.

The men's team was the hardest working group in the five year careers of co-coaches Rick Cleary and Zaf Bludevich. "Post-senior" John Fournier was the teams Most Valuable Runner and ended a fine career with a spectacular second place finish in the Vermont state meet. Sennior Tom Flynn won the Coach's Award for distinguished service to the team. Junior John "Stretch" Koechley, a Notre Dame trasnfer, was the top newcomer. Team highlights included a second place finish at the St. Anselm's Invitational and sixth place at Bryant. In three meets with arch-rival Bryant, the Knights were victorious each time with margins of less than 10 points!

The class of 1985 with take with it some runners who have helped make the program one of the most respected in New England. These include Tom Flynn, Dave Clements, Mike Ford, Mike Tansey and Gerry Gray. Watch out for that team at future homecoming races!!

# WINTER WEEKEND

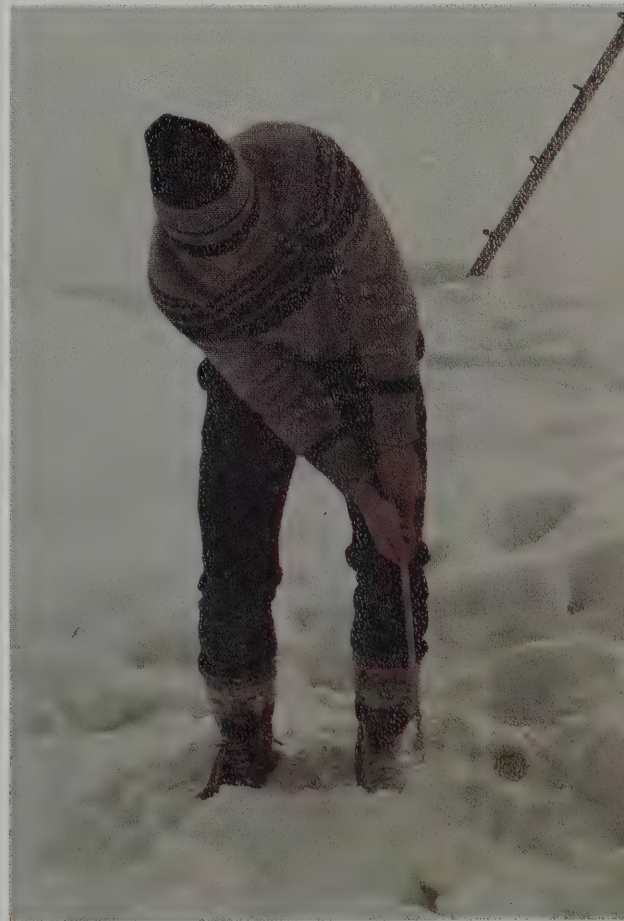

Photos by R. Monette & P. Farrington

Photos by P. Farrington

The alpine ski team started skiing soon after Christmas with a training camp at Pico Ski Area. Alpine Coach Peter Davis instilled confidence and enthusiasm in the young team as shown by their early results at the first Div. II carnival hosted by SMC and MIT. The men's team took first in slalom and third in giant slalom as Todd Alix, Bob Christensen, and John Walters took third, fourth and seventh places respectively. Unfortunately the team couldn't continue their winning momentum to beat such teams as Johnson State and Bowdoin.

The women's alpine team skied consistently throughout the season. Carolyn Heald, '88, finished first or second in every race.

The men's nordic team started off slowly but gained momentum with consistent skiers like Joe Connelly, '87, and experienced seniors Jim Hansen and John "Spoooner" Adamson. The team was a serious threat by mid-season.

The women's nordic team, headed by Lynda Dunn, '86, glided smoothly from the beginning. Her numerous top five finishes earned her a spot in the Div. I championships at Middlebury. Alpine skiers Carolyn Heald, Todd Alix and John Walters were also invited to Middlebury to compete. Walters skied to 22nd place which was the best result of any Div. II male skier invited to Middlebury.

The SMC ski teams have been growing in strength and depth each year and should be strong Div. II power for years to come.

# SAINT MICHAEL'S COLLEGE ICE HOCKEY

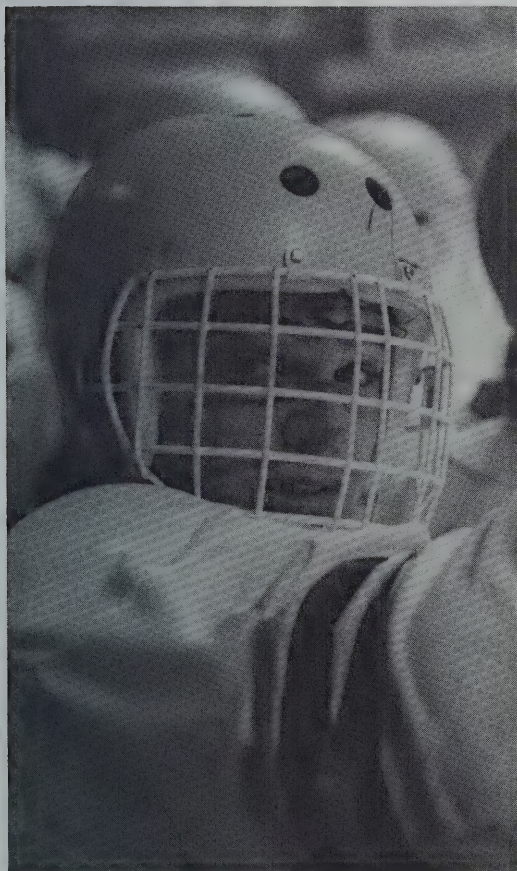

M. Soutter

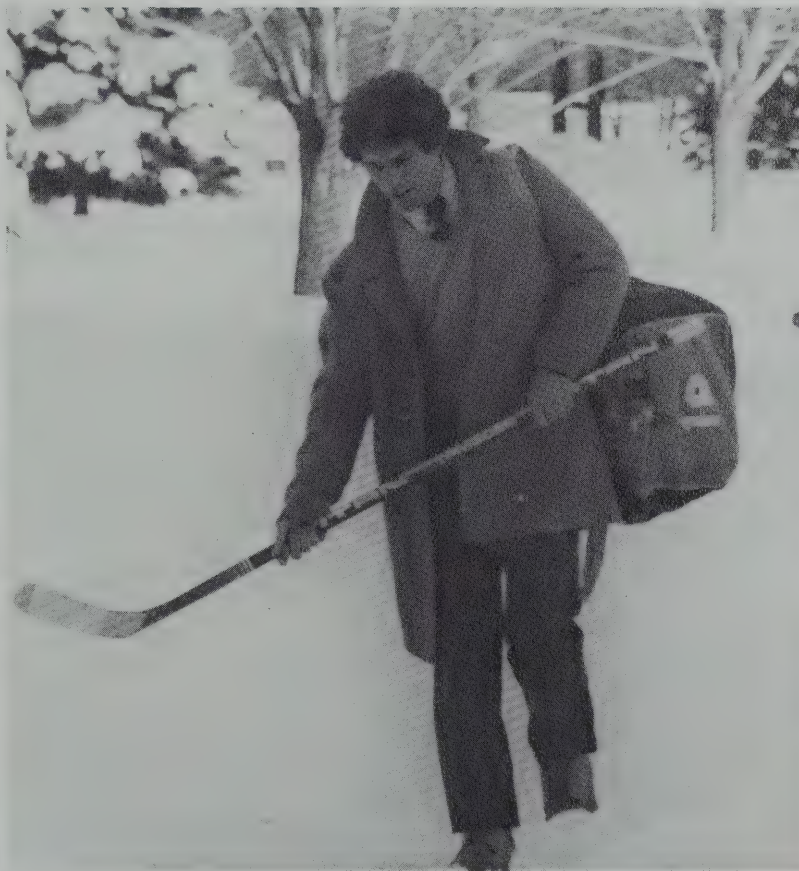

John Billings

John Billings

John Billings

Headed by Coach Lou DiMasi the SMC Ice Knights closed out their third season as a varsity sport with a final season record of 10 wins and 12 defeats. The team finished with a winning record in ECAC Div. III play, sporting a 10-8 record.

A high point of the season was when SMC beat NHC 7-3 in the last game of the season after having lost to them by an 8-4 score earlier in the season.

The Knights will be losing seniors Dean Pelkey, Bob Berno, Dennis

Kelly and John Cunningham. Berno just missed the golden 100-point plateau, finishing his three-year career with 57 goals and 41 assists for 98 points.

In net, Phil Fernandez, '85, was called on to make 595 saves this season, mounting his two year career total to 1,086 saves. Junior goaltender Bill Frain also saw a good amount of action stopping 117 pucks.

# SMC SWIMMING AND DIVING

E. Markey

The men's swim team had a disappointing year ending with a 0-11 record overall. Injuries and other problems affected the performance of the men, and forced them to swim in events other than their specialties.

The squad was led by first-year coach Jim Donoughue and co-captains, Craig Charlton, '85 and Ed Senior, '85. Charlton was the most consistent swimmer throughout the season. Since there were only two seniors on the team the squad had to look to the underclassmen for support. Brian Foley, '87 made remarkable improvements this year, and Jose Vazquez, '87, Dave Dellea, '87, and Joal Lean, '87 all made contributions to the squad.

The divers were led by Foris Anctil, '87 who competed in the New England Championships. With only two seniors leaving, the team will look forward to a more successful season next year.

The women's team made a remarkable turnaround from their 1-10 record in '84 finishing with a 5-6 overall record this year. New coach, Danita Pakorny headed both the swimming and diving team.

Co-captains this year were Mary Ann O'Hara, '85 and Erin Richter, '85. O'Hara consistently had first and second place finishes all season. Junior Karen Dunmire was outstanding in the breaststroke and freestyle events. The diving team was led by Maria Desmarais, '87 and Sue Judge, '86.

# CHEERLEADERS

The SMC Cheerleaders showed a lot of improvement this year under the leadership of first-year coach Cheryl Conrad. The squad cheered at all home games and three away games, including Harvard. They also cheered at home hockey and women's basketball games. Co-captains Donna Henry and Maureen Goulet led the team with enthusiasm through difficult mounts and jumps. There were no seniors on the squad so it looks as if the spirit of the 1985 squad will continue into 1986!

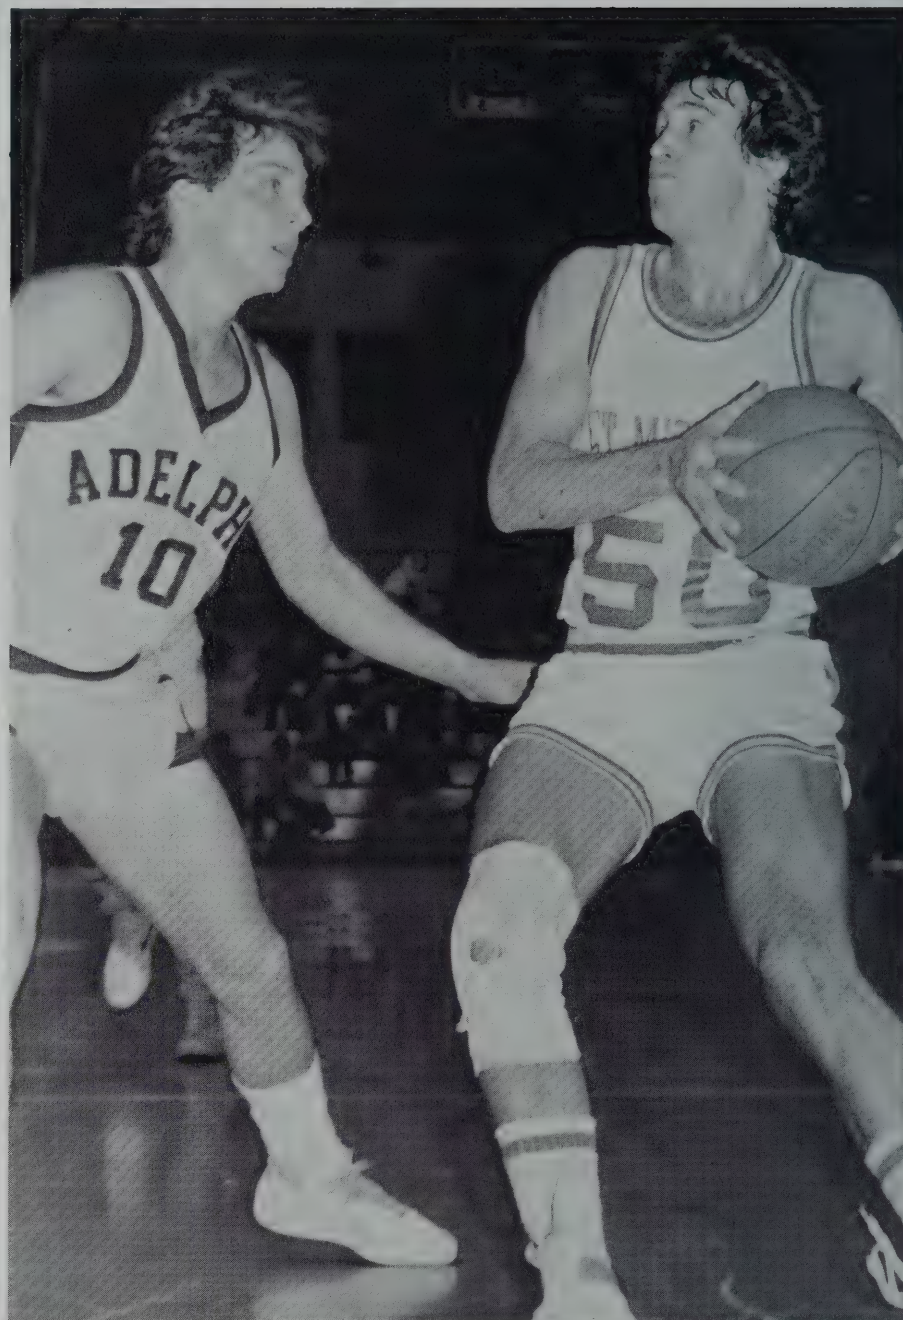

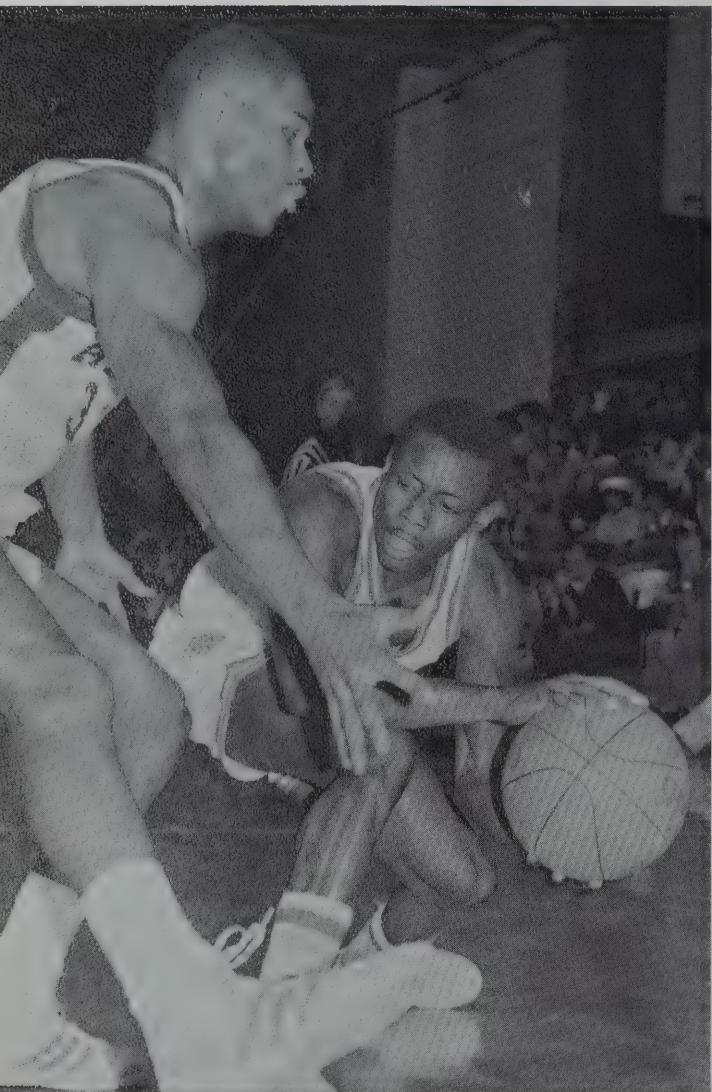

# MEN'S BASKETBALL

Photos by D. Durette

The men's basketball team had a rough season as they were confronted with some tough competition this year. Second-year coach James Casiciano and Assistant coaches, Randy Peele and Tom Conrad, led the team to a 7-21 overall record.

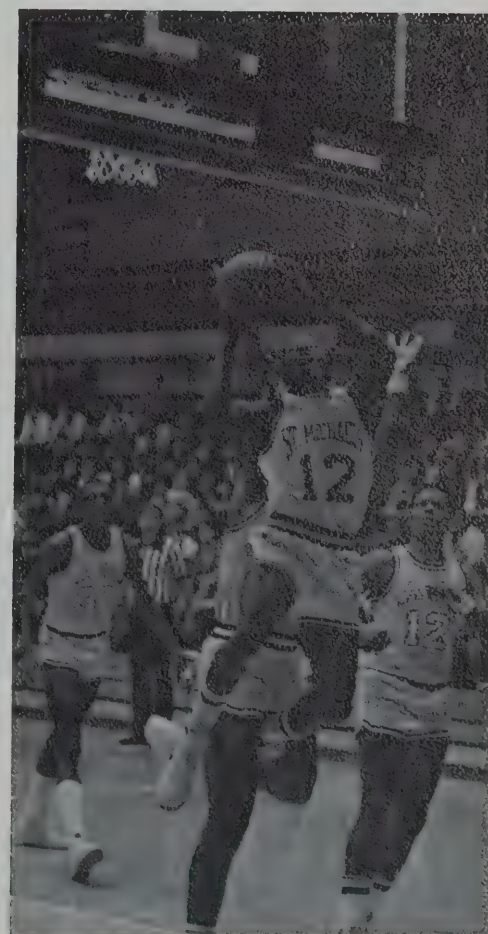

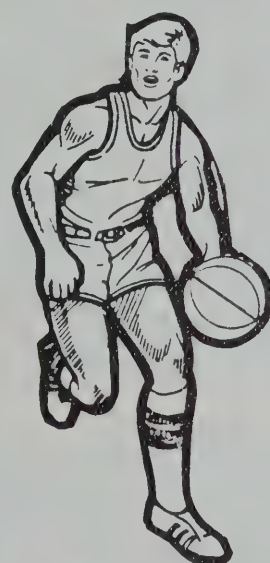

The team started the year off with an exhibition game with Bosna of Yugoslavia. Division I rival UVM and a first year meeting with Harvard added excitement to a tough year.

Matt Jones, '87, led in rebounding followed by freshman J.B. Brown. Co-captains Joe Smoolca, '85, and Bob Milikin, '85, added to the team with individual achievements. Smoolca was nominated as an Academic All-American while Milikin became the 18th man in St. Mike's history to score over 1000 points.

Milikin and Smoolca are the only players who will be lost to graduation. The ability of the underclassmen should lead the team to a more successful season next year.

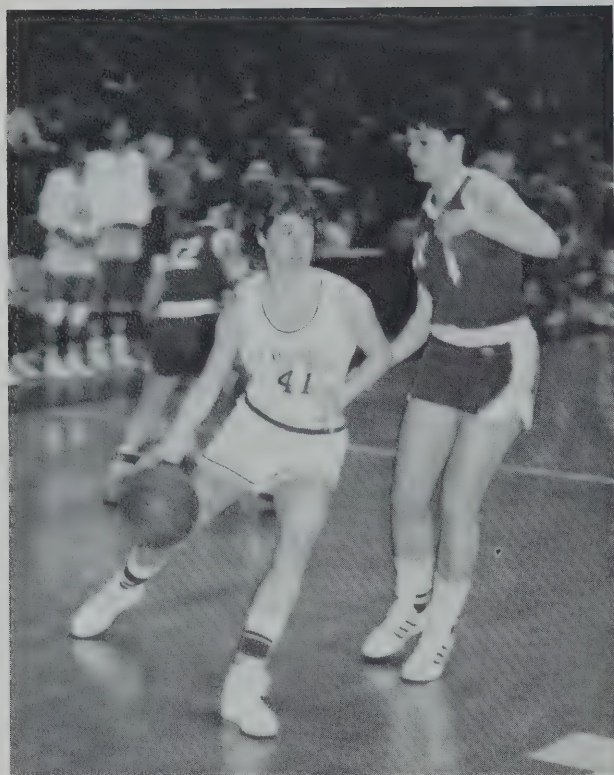

# WOMEN'S BASKETBALL

E. Markey

E. Markey

P. Farrington

E. Markey

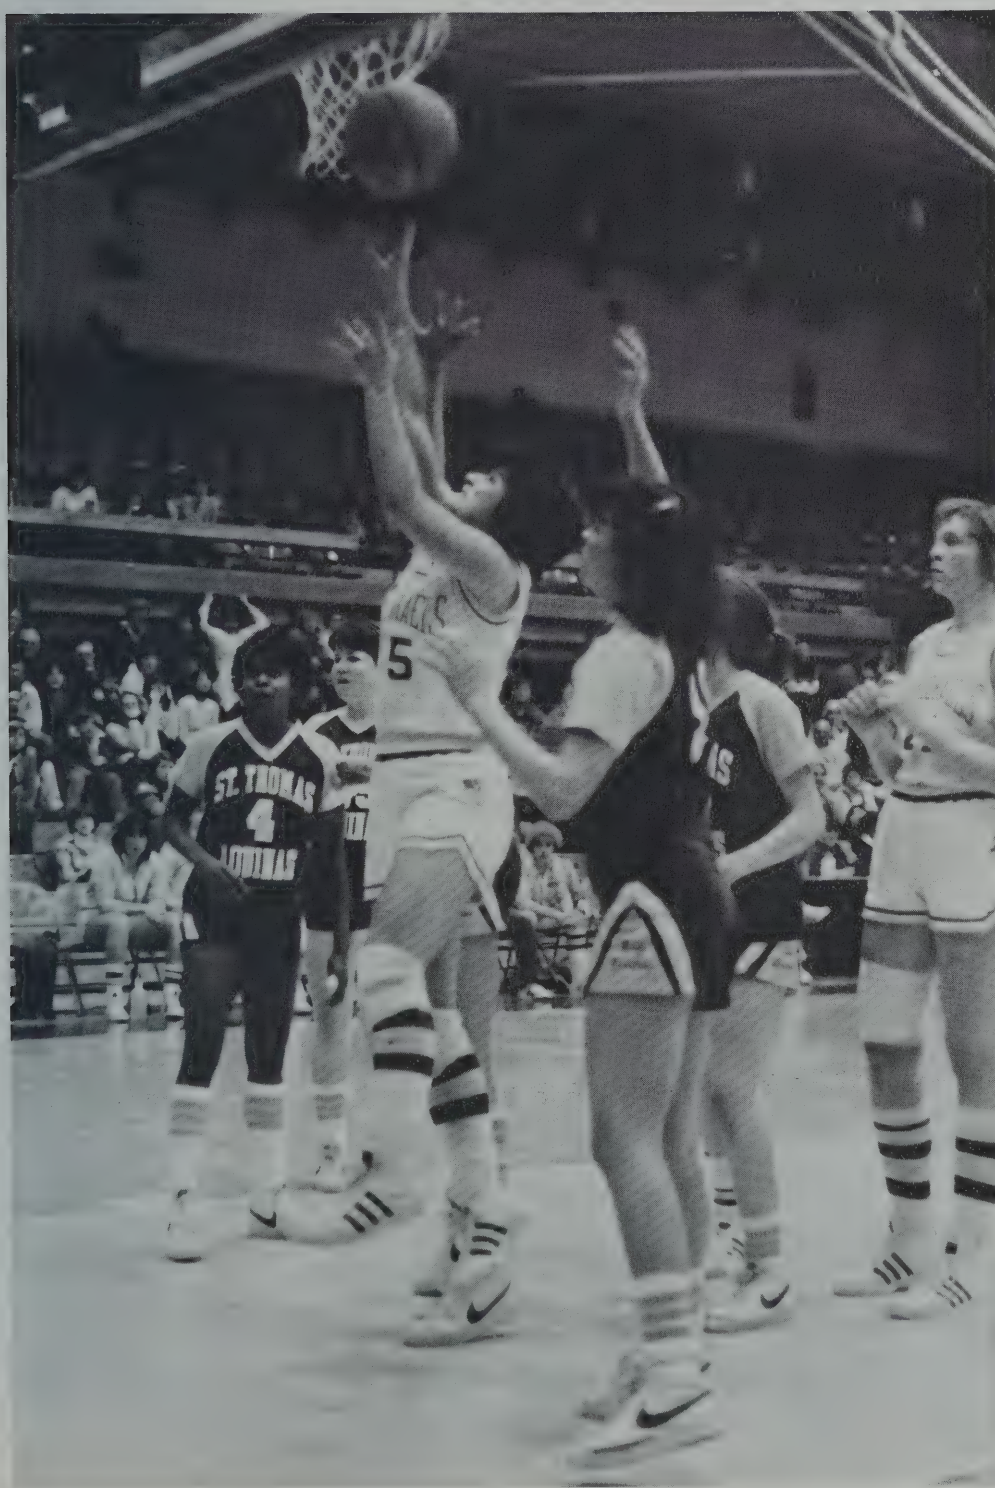

E. Markey

The women's basketball team ended their season with a 19-8 overall record. Despite missing a Division II Tournament bid by approximately eight points, coach Sue Duprat saw the season as a success. "We accomplished so many things this season that we never have before," she said.

Three women scored over 1000 points; Margaret Lynch and co-captains, Becky Bouchard and Pam Batalis. The team also received a lot of recognition. They ranked higher in the New England Division II standings than they have in the past. Center, Lynch, '85, was the first St. Michael's player to be a Kodak All District Division II player.

Batalis was the high scorer of the season averaging 15.7 points per game. She is also the all-time assist leader with 352 as her career total. Lynch was the all-time rebound leader, with an 813 career total. Bouchard led the team with 71 steals this season. Debby Burke, '87, led assists this season with 109.

Highlights of the season were the first defeat over Vermont at home and winning the Bentley Tournament. Although the team will be losing four seniors to graduation, the women should be as strong as ever next year.

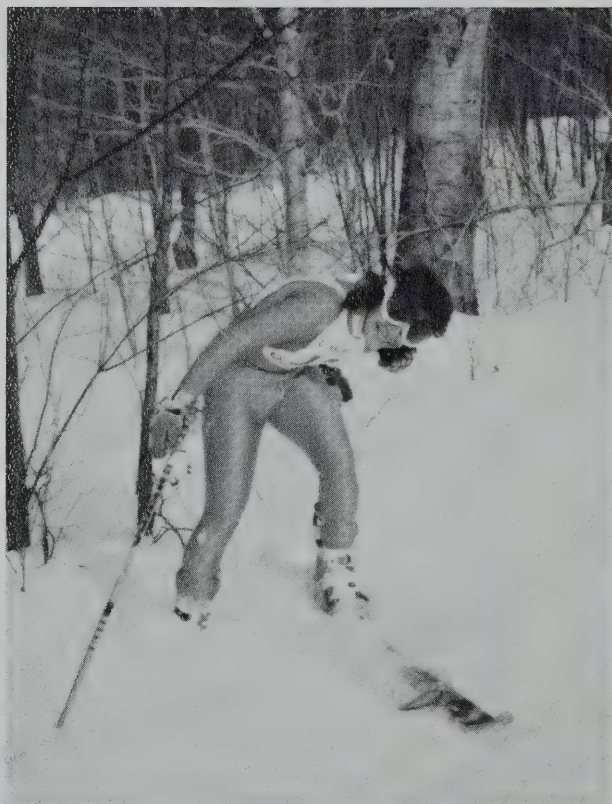

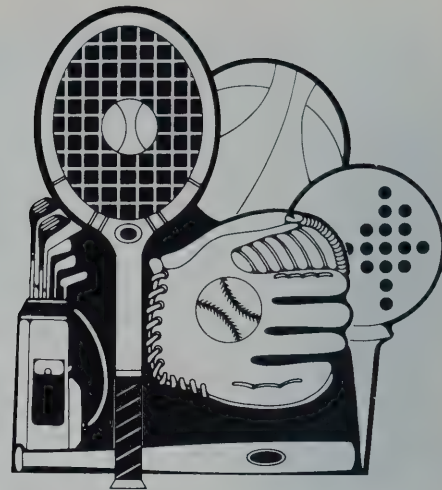

P. Farrington

# THE YEAR IN REVIEW

Um, I was just looking at a chipmunk.

What am I going to tell my dad?

Watch out, here comes the other team!

The first one to catch three goldfish wins!

Wait 'till Kathy sees us, she loves us!

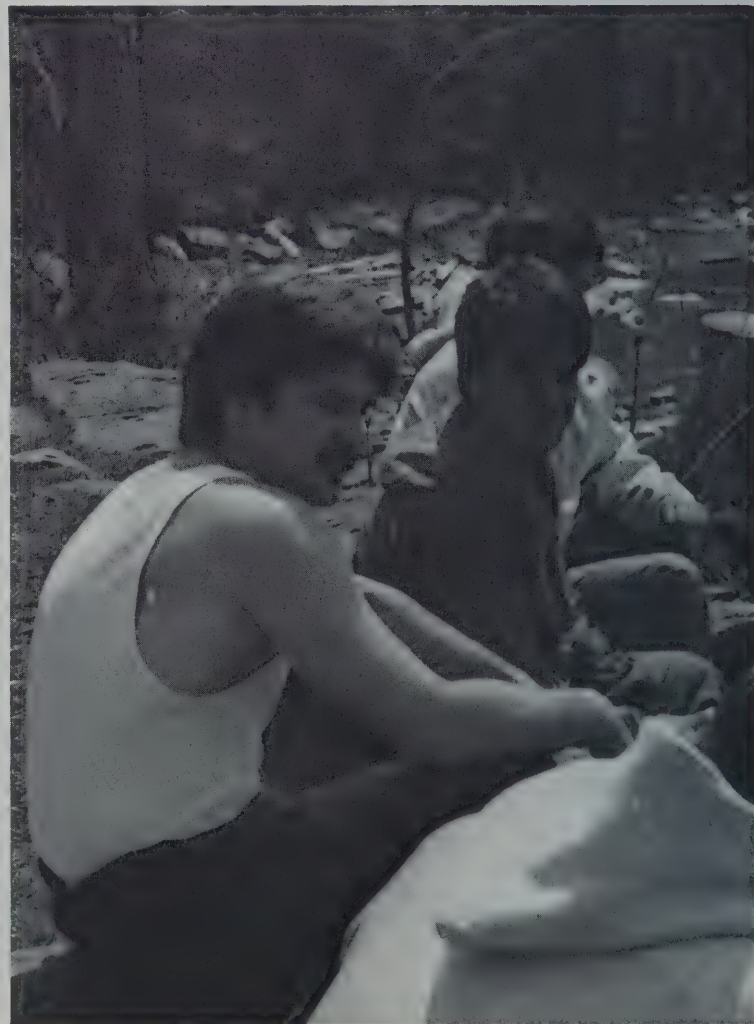

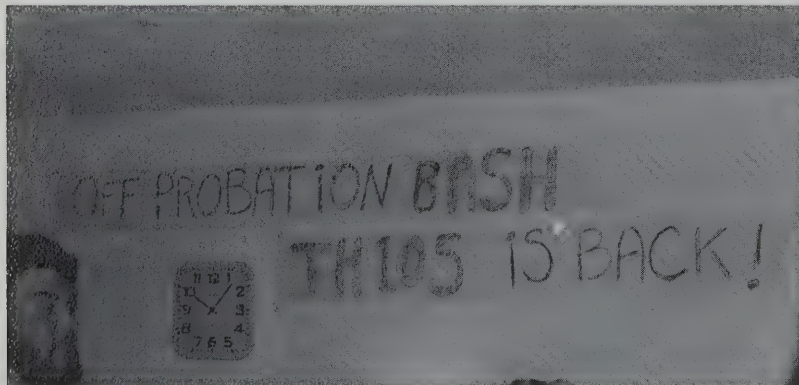

Can anyone fine Fr. Brian?

# MEN'S AND WOMEN'S LACROSSE

## MEN'S LACROSSE

The Men's Lacrosse team ended its third season as a varsity sport with an outstanding 7-4 record. "We've come a long way," Coach Jeff Culkin said. "Just two years ago, we were getting beaten badly by most of the same people we have on the schedule now that we're defeating . . . the attitude of the team has been super . . ."

Many seniors will be lost to graduation, however, their dedication has rubbed off on the younger members of the team. Those leaving are co-captains Peter Dolan and Bill Dromeshauser, Charlie Plonski, John Mahar, Chris Foley, Rusty Miller and Tom Flynn. Bill Dromeshauser was presented with the Coachs Award and John Mahar was chosen the teams Most Improved Player.

## WOMEN'S LACROSSE

The Women's Lacrosse team under the coaching of Todd Wadsworth ended its third season with an outstanding 9-1 record. Wadsworth said, "The team played very near the absolute limit of its potential which is something very few teams do or can do at any level of play, and that was what made it so much fun." Led by senior Kathy McNabb they won their first eight games. 1984 Division III champion Plymouth State College handed them their only loss. They ended the season with a 15-9 come back win over Division I Holy Cross.

Those lost to graduation were co-captains Kathy McNabb and Karin Dunkerly, Cathi Clinton, Sarah Hefford, Jeanne Duffy and Kim Corbeil. McNabb was awarded the Closest to Potential award and Cathi Clinton earned the Best Defenseman award.

# BACCALAURETTE

Bishop Moses B. Anderson, SSE '54 was the featured speaker at the Baccalaureate Mass. His main premise was to continue to "share of ourselves with others . . . You who are graduating this week are special. God has called us all to be the continuation of this giftedness . . . Self-love forms the foundation for our loving others-both God and our neighbor. That is

why it is necessary for us to understand our goodness, our giftedness, our worth." He concluded with "Great happiness comes to us when we share. Our whole person expands and lights up. It is the sharing, caring and loving which gives great joy in this life and allows us to begin to experience what heaven is."

# GRADUATION

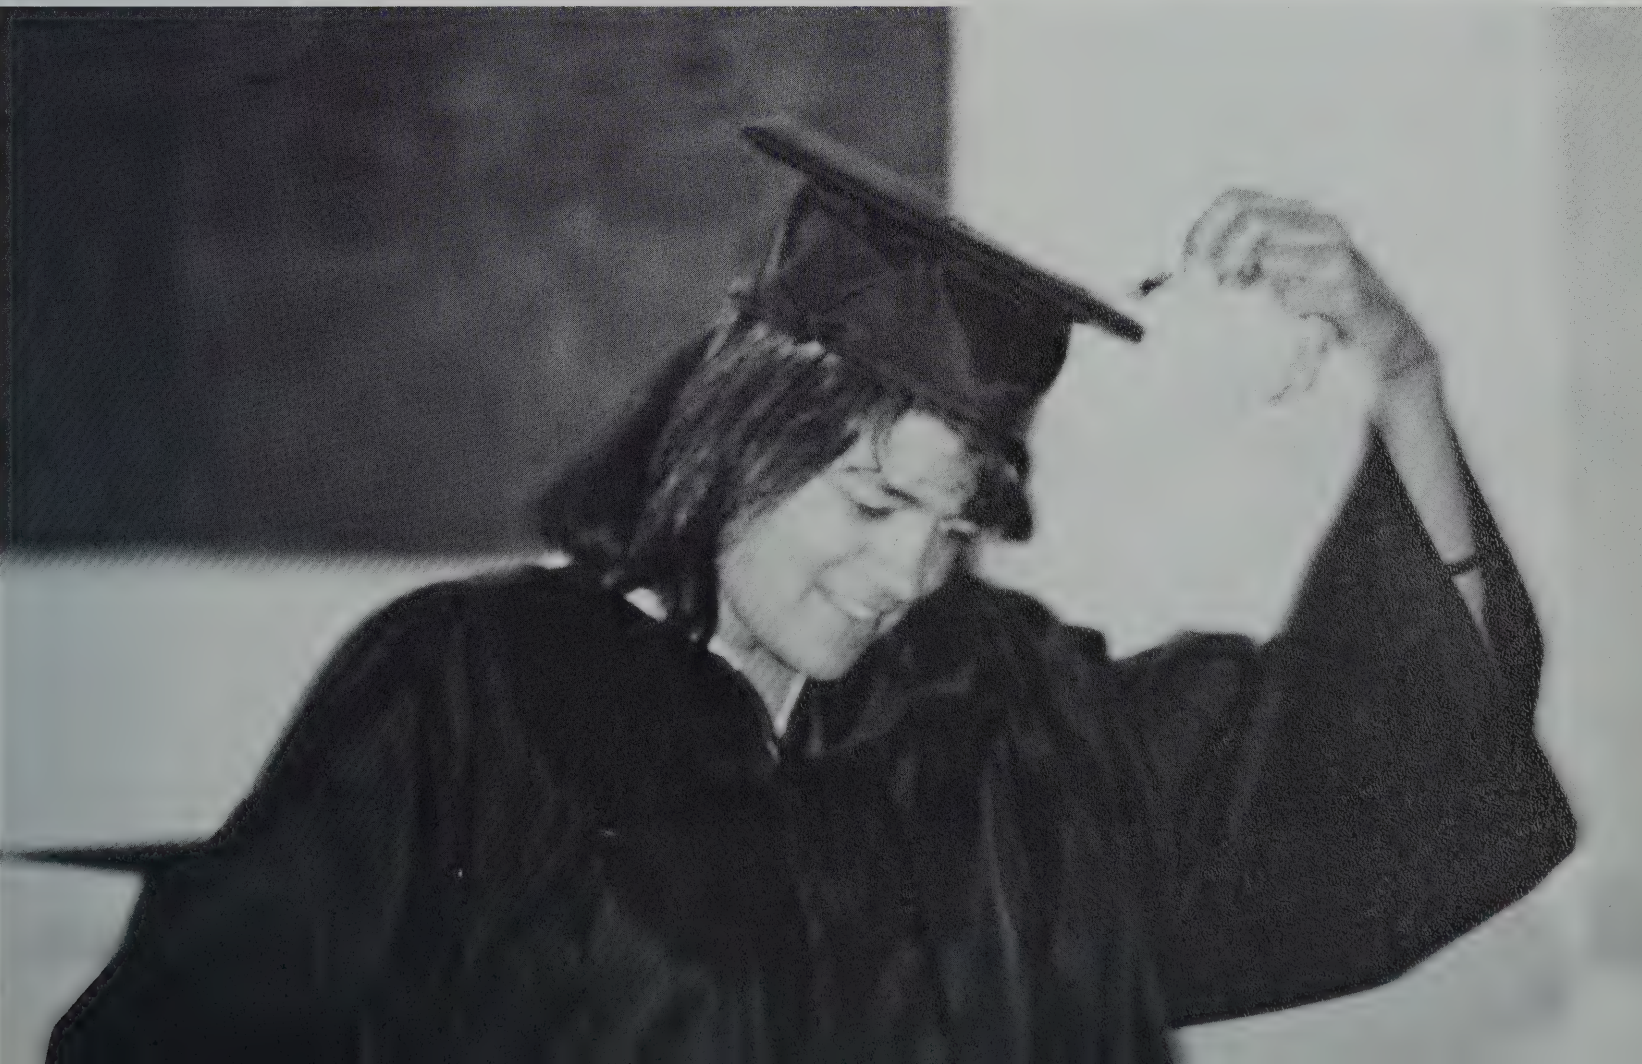

Graduation for the Class of 1985 started with a threat of rain, however, it soon cleared to be a beautiful sunny day. The featured speaker was The Honorable Madeleine M. Kunin, Vermont's first woman governor.

Governor Kunin speaking to a crowd of 3600 acknowledged the value of technological training, while pointing out the absolute need for liberal arts learning if the human community is to survive. She focused on the importance of the liberal arts so that the past will not be forgotten and, intern repeated as society becomes more technologically oriented.

"President Reagan's visit to Bitburg (the German cemetery where SS soldiers are buried), more than any recent event, illustrates what happens when we try to spurn history." Kunin, a Jewish refugee from Hitler who escaped Europe in 1940, spoke on a personnel level of her experiences. "Because of my personal experience, leaving Europe as a child in World War II, I felt a powerful tie, as so many of us do, with those who died in the Holocaust. We who left, who were able to leave-were the fortunate few. All this makes me incredulous today that this chapter of history could be forgotten by anyone."

Concluding, Governor Kunin said, "It is the humanities which enable us to become articulate. Without such speech, in any form, we are alone. And finally it is our knowledge of history which can protect us from the sin of indifference. If we know, we must care-and finally — act."

***Year Around***

# FIRE & RESCUE 15TH ANNIVERSARY

P. Farrington

Many areas of Vermont's Chittenden County used to have relatively inadequate emergency medical service.

In 1969 a group of Saint Michael's College students decided to do something about it. They dreamed of an emergency service composed of highly qualified and expert team members at no cost to the residents of Chittenden County . . . and set out to fulfill that dream.

The enthusiasm generated by its pioneers continues, and today Saint Michael's Fire Department and Rescue Squad provides residents of Chittenden County with emergency services of the highest quality.

## IN THE BEGINNING

A lot of water has gone over the dam since a tragedy in 1969 caused the death of a Saint Michael's College student athlete. Some members of the college community felt that his death was due to the lack of immediate and qualified emergency medical services, a rather common situation back then. These community members, along with SMC administrator Donald Sutton, worked to develop an idea . . . a dream. That dream has come true and the organization which evolved is known today as the Saint Michael's Rescue Squad.

Shortly after its inception this campus group operating with minimal equipment out of a College security van, was providing emergency service to over 385 square miles of Chittenden County, in areas never before having ambulance services available to them.

Within a year, a Cadillac type ambulance was donated to the squad by a student's father. In 1973, with a new modular ambulance, Saint Michael's Rescue Squad, in cooperation with the Medical Center Hospital of Vermont, initiated a High Risk Infant-/Mother Transport system. This program, funded in part by the Vermont State Department of Health, provides transportation of premature or seriously ill newborn infants to the Medical Center from outlying hospitals in Vermont, and from as far away as New Hampshire and New York state. At the Medical Center their chances of survival are greatly increased by the specialized facilities and staff.

In 1983, the Rescue Squad purchased a new modular Horton ambulance at a cost of \$50,000, which is presently the primary emergency vehicle. This vehicle represents the continuing commitment to provide the best emergency care possible.

## THE RESCUE UNIT

Current squad members include Saint Michael's students from many states who have a common desire to serve the neighboring community. All personnel are certified in American Red Cross Advanced First Aid and in Cardio-Pulmonary Resuscitation. Many members have, on their own time, completed a 100-hour Emergency Medical Technician course at the Medical Center Hospital of Vermont. These members can then become recognized by the National Registry of Emergency Medical Technicians and further develop their skills by becoming certified to administer intravenous (IV) therapy.

In addition to this already rigorous training curriculum, each week members are required to attend a three hour training session conducted by squad training officers to strengthen medical care techniques. Specialized drills in automobile extrication, rappelling and rope work for mountain rescues are also conducted by members versed in these fields.

Saint Michael's Rescue Squad currently serves the residents of Winooski, Hinesburg, Williston and St. George, as well as portions of Essex and Colchester, and a twenty-six mile stretch of Vermont Interstate 89. The squad presently answers over 1200 calls each year. These calls involve cardiac and respiratory problems, car accidents, fires, transportation of premature infants and many others.

In 1976 another team of Saint Michael's Rescue Squad Members was developed. Community members of Hinesburg, Williston and St. George formed the Iroquois First Response group which provides immediate first aid to the residents of these towns prior to the arrival of the ambulance.

Today, Saint Michael's Rescue Squad continues to provide emergency medical services across a large portion of Chittenden County. Consistent with the initial "dream"

there remains no charge for any of these services. The Squad relies on generous donations from its various publics and on the commitment of students who are dedicated to public service. "Helping us to help others", has been a by-word since the department's establishment and continues to be. Thanks to all who have helped, we continue to serve.

## THE FIRE UNIT

The Fire Unit, founded in February, 1970, provides fire protection to the College community as well as the Town of Colchester as a regular adjunct of the Colchester Center Volunteer Fire Company.

The First Unit is comprised primarily of Saint Michael's students and operates three pieces of front-line equipment: a 1966 Sea-graves 1,250 gallon-per-minute pumper; a 1962 Hahn 750 gpm pumper; and a refurbished, diesel re-powered, 1949 American LaFrance 85-foot aerial ladder. This equipment allows the Saint Michael's Fire Unit to provide complete firefighting service to the community.

Members of the Fire Unit must serve a four-month probationary period and complete a twenty-five hour apprentice course before actual participation in fighting fires. Members must subsequently complete a forty-five hour basic firemanship course, which allows them to be considered for interior firefighting certification.

The unit drills weekly on its own and twice monthly with Colchester Center, and additionally, members may participate in various 2-day regional seminars concerning specific firefighting subjects. The Fire Unit annually answers an average of 175 calls to the College campus and the Town of Colchester, and provides mutual aid assistance to surrounding communities.

Today, Saint Michael's Fire Department is proud to represent the highly qualified and expert emergency team that our charter members dreamed of over a decade ago. Through the continued enthusiasm of our community and the support of Colchester Center Fire Company, we have fulfilled that dream by providing full firefighting protection to area residents.

J. Jennings

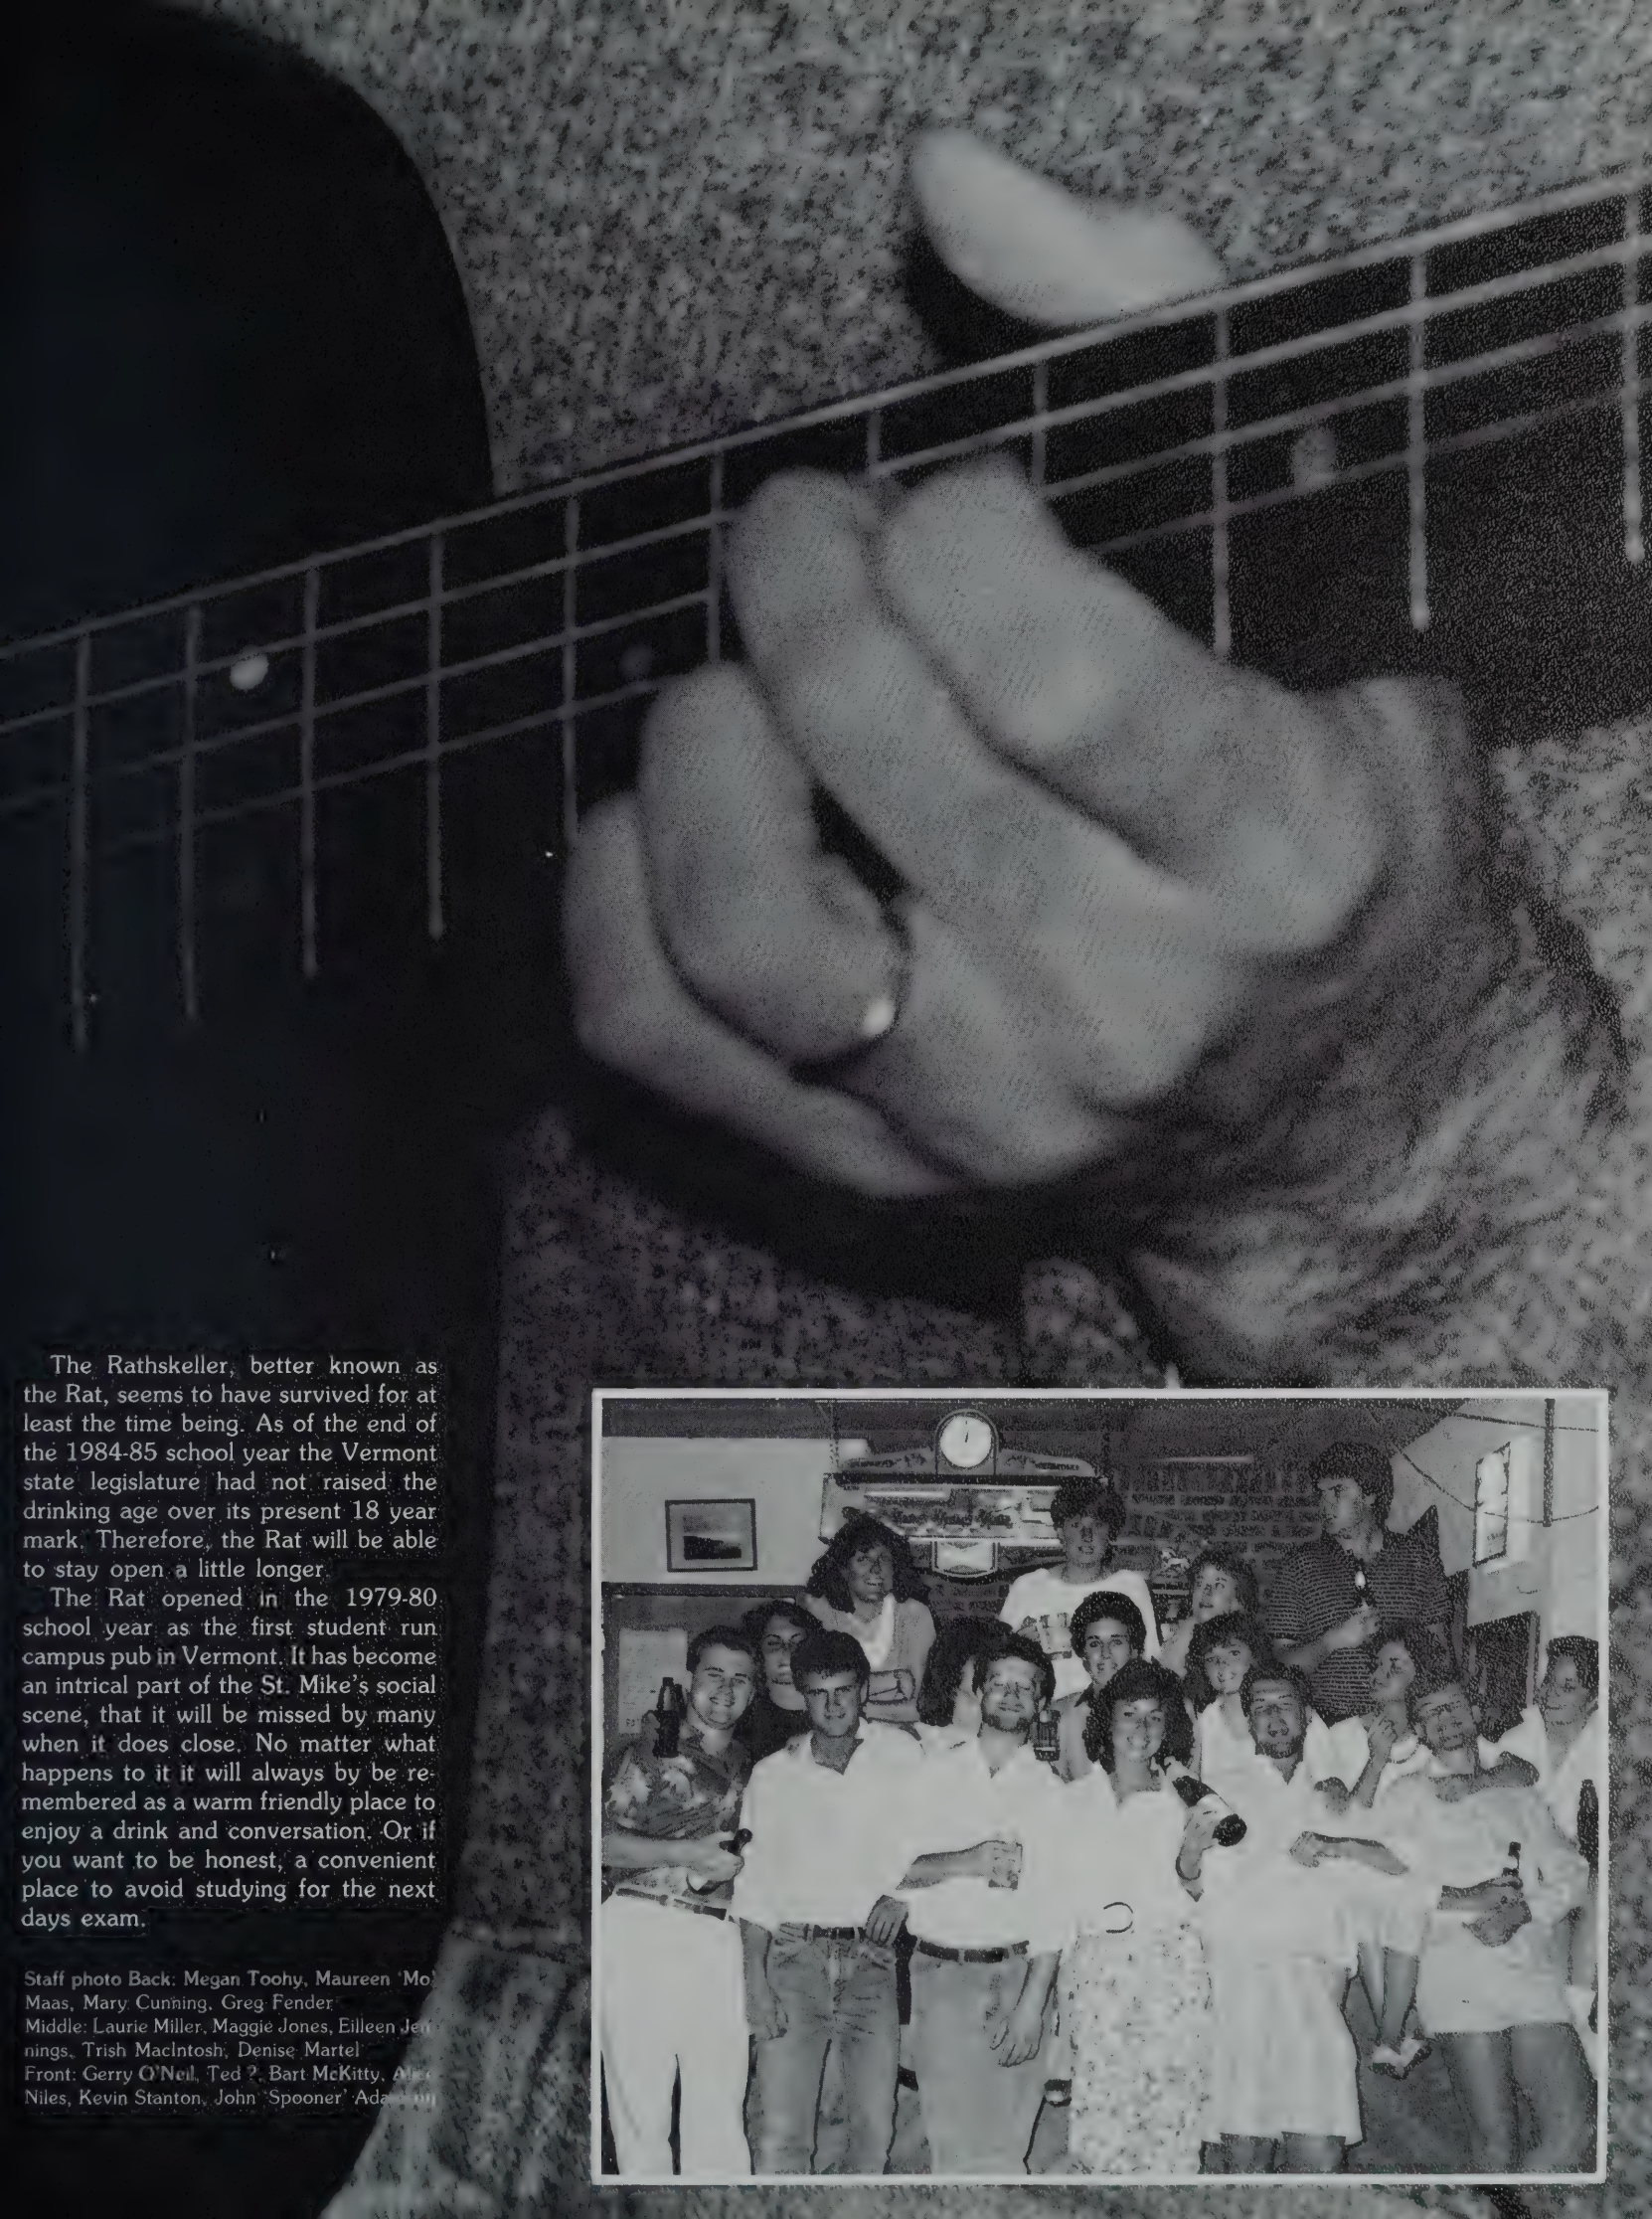

P. Farrington

# THE END OF THE RAT?

The Rathskeller, better known as the Rat, seems to have survived for at least the time being. As of the end of the 1984-85 school year the Vermont state legislature had not raised the drinking age over its present 18 year mark. Therefore, the Rat will be able to stay open a little longer.

The Rat opened in the 1979-80 school year as the first student run campus pub in Vermont. It has become an intrical part of the St. Mike's social scene, that it will be missed by many when it does close. No matter what happens to it it will always be remembered as a warm friendly place to enjoy a drink and conversation. Or if you want to be honest, a convenient place to avoid studying for the next days exam.

# CHORALE

## WIND AND JAZZ

The 1984-85 SMC Wind and Jazz Ensembles had another excellent year! Dr. LeClair conducted the groups through many concerts. The Homecoming Concert was performed to an audience full of alumni. The Wind Ensemble played their traditional mass at Christmas time featuring Allelulia Handamuste. On tour we performed five concerts in three days at five different locations. We started at Bristol, Vt. and that evening were in Hartford, Ct. We went on to another high school in Connecticut, and then to Stamford. Saturday, a wild time was had by all in NYC watching the St. Patrick's Day parade. The concert that night in New Jersey started with a Mass. The reception we received was unforgettable with the quintet playing for all to dance to. Next, we performed at the Humanities Symposium and ended with a full house and a double encore at the Parent's Weekend Concert. What memories-Seniors we'll miss you!

## CHORALE

The 1984-85 SMC Chorale had a busy year. We started with a Homecoming concert at McCarthy Arts Center. In December we performed a Christmas concert in the Chapel, singing Bach's Christmas Cantata and Handel's Judas Maccabeus. We took an excursion to Glens Falls, NY. for a concert at their chapel, and the alumni chapter cooked us a wonderful dinner. On tour a great time was had by all at our exchange concerts with the Quebec Conservatory of Music, singing Faure's Requiem. Many friends were made those two weekends who will always be remembered. Next we prepared and sang a Gregorian Chant Mass at the Chapel. Which was a new experience for all! The year ended as usual with the Parent's Weekend concert. What a year!

A small group of chorale members went to Europe for spring break. Veronica our tour guide from PAA, and Paul our bus driver, took us from Paris to Belgium, and then to the Netherlands. The highlight had to be singing 11:30 Sunday Mass at Notre Dame Cathedral to a crowd of thousands. Oud Beijerland was our homestay in Holland, and they were very hospitable. Many memories were made! What will we do next year?

# POLITICAL SCIENCE CLUB

The Political Science Club is a non-partisan academic group which focuses on the promotion of all aspects of the discipline of political science. This year the club sponsored such events as Dr. Glenn Tinder speaking on "Morality, Force, and Government in Foreign Policy," a faculty-student reception on election night and an American Film Presentation focusing on "racism, poverty, and the American underclass." The ultimate goal of the club is to serve as a catalyst to political discourse on campus by raising the awareness of the college community and the community at large. (Go Reds, Smash State!)

Vice-Pres. Morgan Gray, Pres. Matthew Valerio, S.A. Rep. Jennifer Collins

This is the second year that Boost Alcohol Consciousness Concerning the Health of University Students (BACCHUS) has had a local chapter on campus. The purpose of BACCHUS is to educate people on the issues of responsible use and non-use of alcohol. Again, this year they hosted a non-alcoholic mix-off in the Rat along with films and lectures.

Glenn Brady, Marie Lamont, Deborah Bourgeois, Theresa Francomacaro

Tom O'Keefe

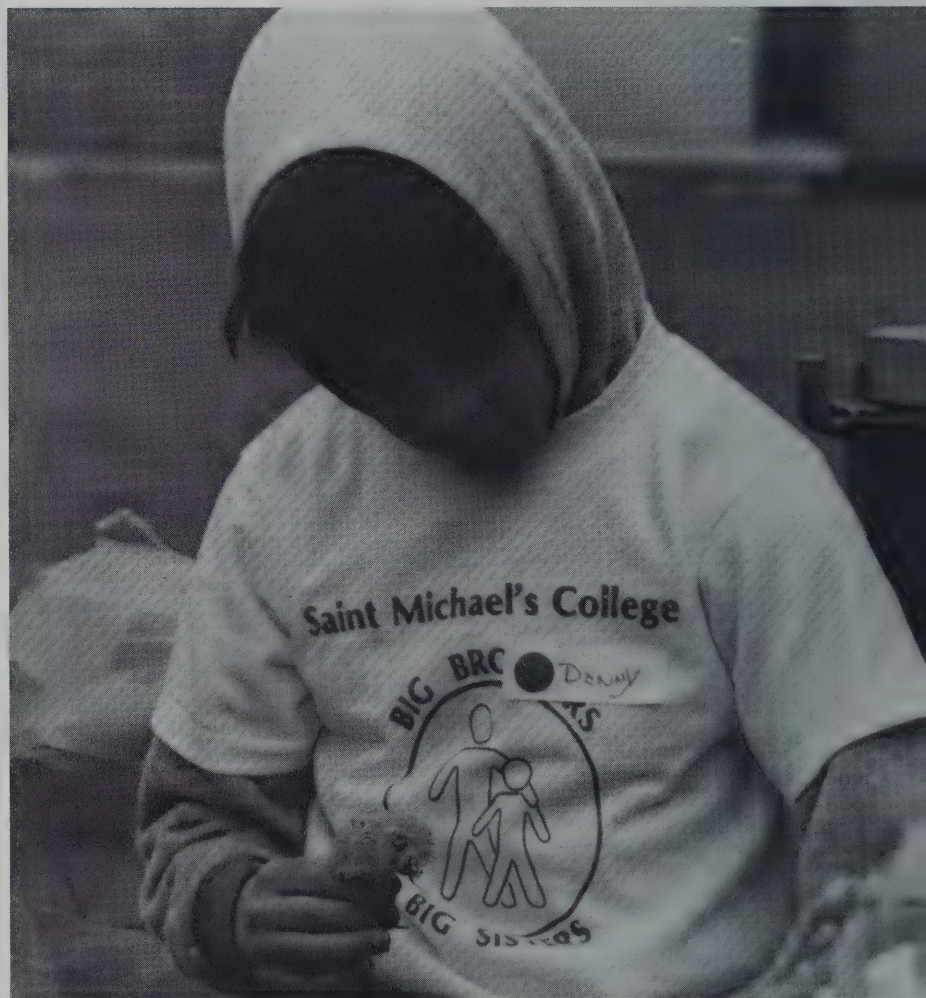

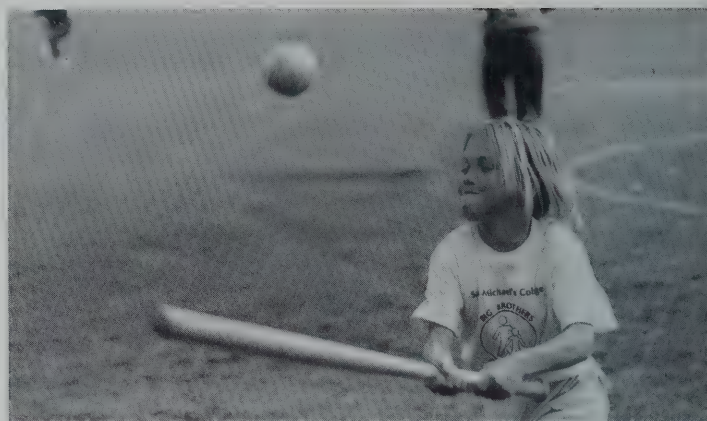

# OUTING CLUB

The SMC Outing Club got off to an unorganized start, but in the end was considered fairly successful with the help of our fearless leaders, Tom O'Keefe (86) and Dave Mazzerella (87). The first trip was to Camel's Hump for a day and then in January the club went cross-country skiing at Smuggler's Notch. Spring break brought more adventurous activity with a small group of four and a dog, camping in the Presidential Range of New Hampshire for four cold days. The club ended the year with another trip to Camel's Hump. Thanks for a fun year.

# BIG BROTHER/BIG SISTER

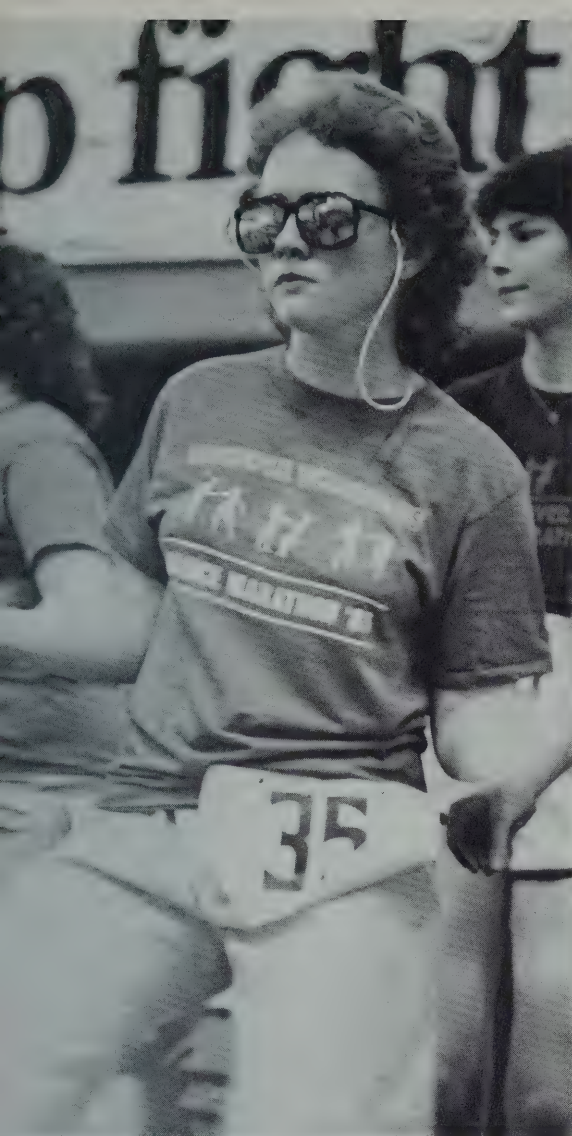

Maybe you have seen some kids around campus who were a little too young to be taking classes. You could have seen them trying to balance a tray at SAGA or maybe you saw them listening to records in a dorm room. Wherever you saw them, I'm sure you could also find a St. Mike's Big Brother or Big Sister close at hand; if my guess is right, they probably seemed to be genuinely enjoying each other's company. Very simply, that's what we're all about.

This year we have planted the seeds of many friendships. We have 70 student volunteers matched with needy area children ranging in ages from 7-13 years old. My satisfaction has come from all the smiles which my efforts have helped to bring to many faces.

Steve P. Queenan, Coordinator

# CROWN & SWORD

Crown & Sword Society is a service organization serving St. Michael's College and the surrounding community. On campus, it sponsors Rent-A-Prof, the Halloween Dance, and other fundraisers. It coordinates the Multiple Sclerosis Dance Marathon each spring. In addition, Crown & Sword volunteer power is used for the Parent's Phonathon and many other major weekends on campus. In the community, the society works with Green Mountain Nursing Home, ETV, Special Olympics, and other organizations.

## **Congratulations And Best Wishes**

### **For Much Success To The Class Of 1985**

*From the Faculty and Staff of the Graduate Studies and Continuing Education Departments.*

*St. Michael's College has graduate degree programs in:*

#### **EDUCATION (M.ED.)**

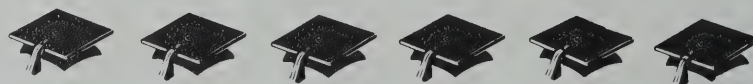

*A graduate degree program offering concentration in Curriculum development, Administration, Reading, Special Education or Computers. Within the program it is possible to qualify for Vermont Department of Education Certification as a Reading Specialist, School Principal, Secondary Level Teacher, Consulting Teacher/Learning Specialist or Resource Room Teacher.*

#### **TEACHING ENGLISH AS A SECONDARY LANGUAGE (MATESL)**

*A graduate degree program (and also a certification program 18 Gr. Cr.) designed for English speaking and non-English speaking individuals who wish to develop expertise in teaching English to non-English speaking students.*

#### **ADMINISTRATION (M.S.A.)**

*A graduate degree program designed for current and future managers, administrators and leaders in the public and private sectors.*

#### **CLINICAL PSYCHOLOGY (M.A.)**

*The masters of arts program in clinical psychology is designed to meet three objectives. The first is to provide students with a broad background in Psychology and clinical practice, with an emphasis on either community service and administration, or school consultation. Students may elect either emphasis. The second objective is to prepare students for state licensing examinations at the masters level. The third is to prepare students for doctoral work at another institution.*

#### **THEOLOGY AND PASTORAL MINISTRY (GRADUATE CERTIFICATE, M.A., C.A.S.)**

*Our Graduate Theology and Pastoral Ministry program offers a pre-degree Graduate Certificate; M.A. in Theology, with concentrations in Religious Education, Pastoral Ministry and Spirituality, Theology and Scripture; a post-degree Certificate of Advanced Specialization. Courses in this program are available only during the summer session.*

#### **HEALTH ADMINISTRATION (B.A.)**

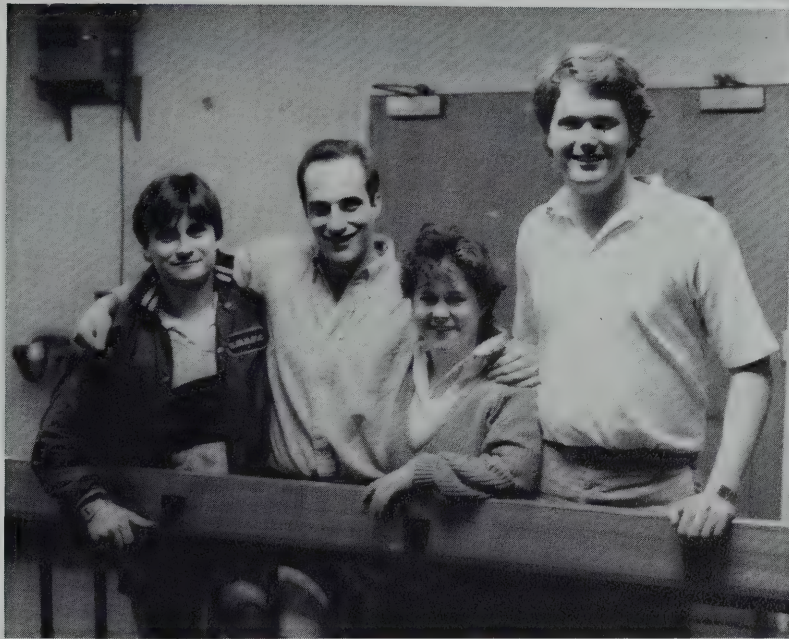

*A new Undergraduate Degree Program designed to meet the academic and career needs of students who have an R.N. or Associates Degrees in health care profession and who wish to complete a B.A. (Health Administration) degree at this college.*

*For more information about these programs, please contact:*

# HILLTOP

Roger Monette, Editor

Laura Kinson, Photo Editor

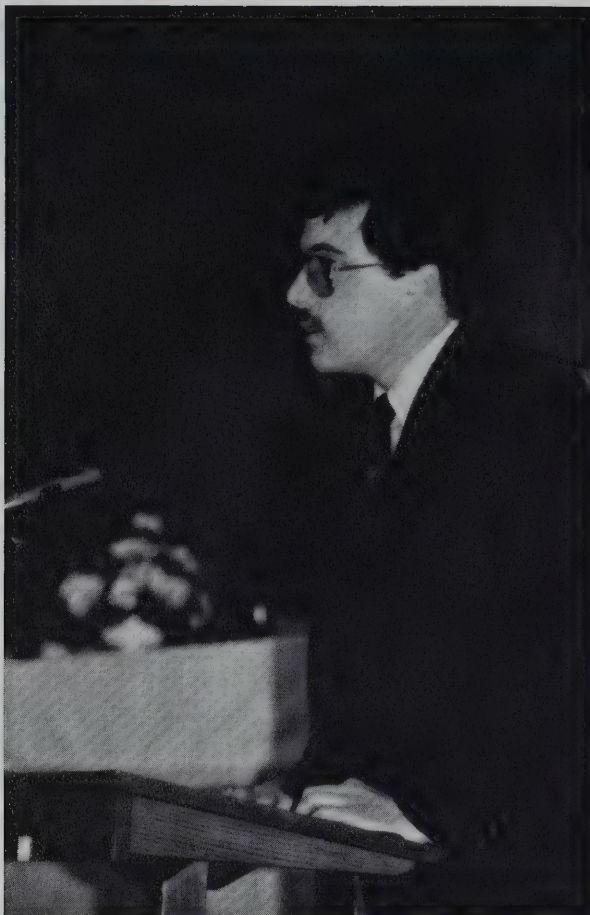

Alice Niles, Seniors

Back: Sue O'Shea, Sports; Lauren Boucher, Sports; Marie Lamont, Housing; Kevin Perley, Layouts Front: Pat Farrington, Photographer; Michelle Labreaque, Activities; Linda Robitaille, Faculty

# THOUGHTS FROM THE EDITOR

*L. Kinson*

The yearbook is a huge undertaking to complete, however, its a task which has many rewards, the most important of which is preserving the many memories we all have of Saint Michael's.

Putting together the yearbook is not a one person job. I'd like to thank the dedicated staff who saw the book through thick and thin to completion. Thank you Laura, Alice, Michelle, Marie, Linda, Lauren, Sue, Kevin and Pat. I'm confidant we all can be proud of the 1985 HILLTOP.

I hope this yearbook will serve as a vivid reminder of the people and events of SMC. It was a pleasure to put together, and, I hope a pleasure for you the Class of 1985 to look at and remember SMC by.

Sincerely yours,

A handwritten signature in cursive script that reads "Roger J. Monette".

Roger J. Monette  
Executive Editor

# ACKNOWLEDGEMENTS

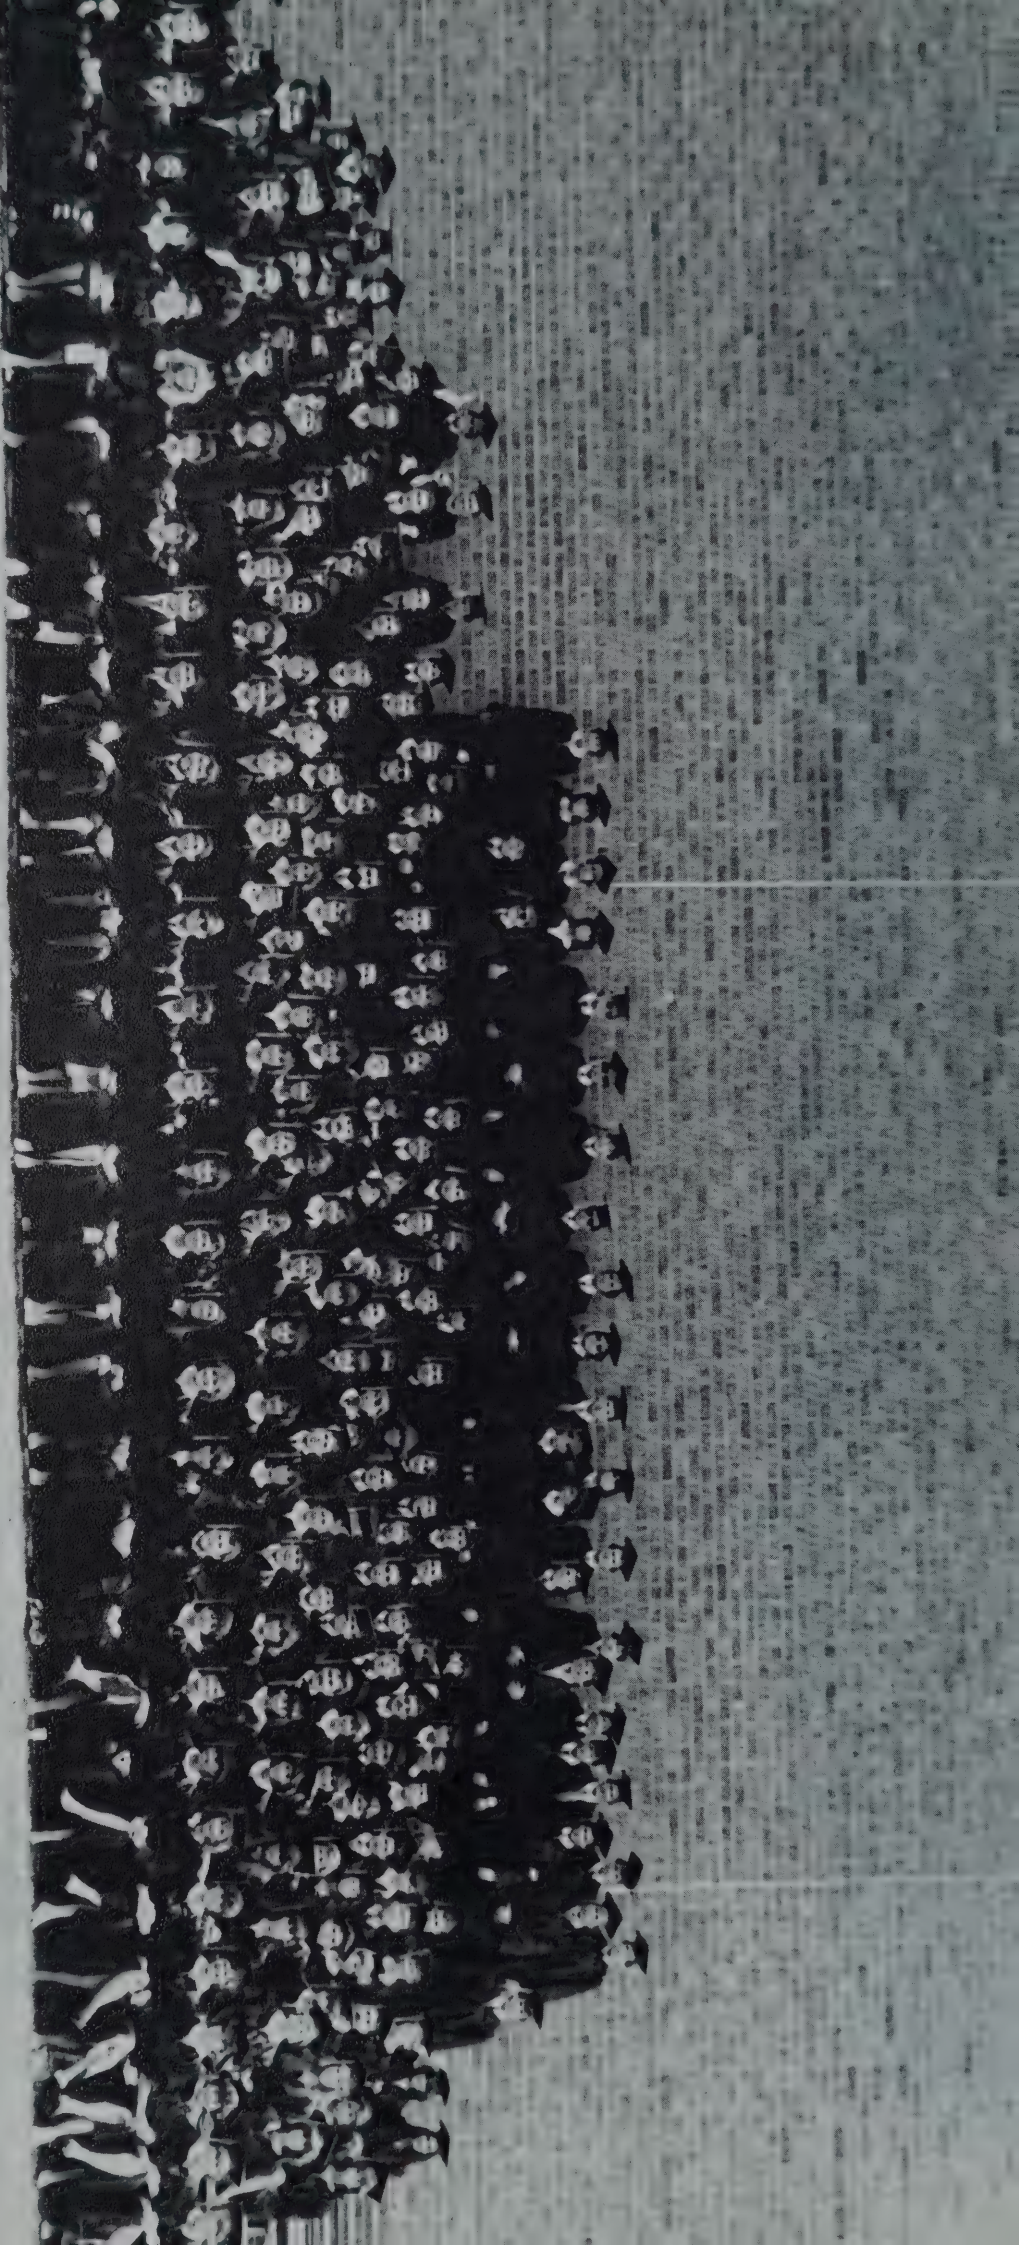

- Ed Markey for many of the team pictures.
- Student Resource Center for use of the copier, etc. when we needed them.
- Jostens representative Mark Saks for your help and advice.
- All those who contributed to the financial success of the book.
- Jacki Murphy for her help and understanding.
- Al Tremblay for the cover design.
- Dina Sofis for the Dr. Henry article.
- The poem "Paddle Your Own Canoe" was taken from *No. 9 Nelson's School Series* given to Nellie Lillie Mae Woodard in 1876.
- Thanks to the Defender for letting us use their sports write ups in edited version.
- Mike Fannelli and Mark Soutter for many of the sports photos.
- Laura Baker for the Wind & Jazz and Chorale articles.
- Steve Queenan for the Big Brother/Big Sister article and pictures.

The 1985 HILLTOP was printed in an edition of 1400 copies, 200 pages by Jostens Printing and Publishing in State College, Pa. The trim size is 9" x 12" and the paper used is Strippletone #210.

The type used was Souvenir #37 for the majority of the body copy, and Souvenir Bold #38 for the majority of the headlines.

The cover is a Craftline Embossed Green #516 with a French Straight #1191 grain texture. The design and logo HILLTOP are embossed and silkscreened with Copper #330. The endsheets are Medium Biege #308.

## ONE FINAL LOOK

JOHN P.
